BRITISH EMBASSY
DJAKARTA

4 July, 1972

Your Excellency,

I have the honour to refer to the recent discussions concerning development aid from the Government of the United Kingdom of Great Britain and Northern Ireland to the Government of the Republic of Indonesia and to inform you that the Government of the United Kingdom are prepared to conclude an Agreement with the Government of Indonesia on this question. The position of the Government of the United Kingdom with regard to the provision of finance and the commitments of that Government and of the Government of Indonesia as regards associated matters shall be as respectively set out in part A and part B below:

A. The Government of the United Kingdom declare that it is their intention to make available to the Government of Indonesia by way of an interest-free loan a sum not exceeding £7,000,000 (seven million pounds sterling) for the purposes of development projects agreed during the period 1 April 1972 to 31 December 1974.

B. (1) The Government of the United Kingdom shall adopt the arrangements and procedures described in the following paragraphs of this note insofar as they relate to things to be done by or on behalf of that Government. The Government of Indonesia shall adopt the arrangements and procedures so described insofar as they relate to things to be done by or on behalf of that Government.

(2) The projects to be assisted from the loan shall be agreed between the Government of the United Kingdom and the Government of Indonesia and drawings from the loan shall be applied subject to paragraph (4) of this note to payments and reimbursements of costs incurred in furtherance of the projects agreed. Unless the Government of the United Kingdom otherwise agree, no project shall be eligible for assistance from the loan unless it is agreed between the two Governments before 31 December 1974, and no payment or reimbursements in the manner hereinafter described shall be made in respect of any contract or costs unless the contract or other relevant transaction is entered into before 31 December 1974.

¹ Came into force on 4 July 1972, the date of the note in reply, in accordance with the provisions of the said notes.

(3) (a) For the purpose of these arrangements the Government of Indonesia shall, by a request in the form set out in annex A to this note, open a special account (hereinafter referred to as "the Account") with the Crown Agents for Oversea Governments and Administrations of 4 Millbank, London, S.W.1. (hereinafter referred to as "the Crown Agents"). The Account shall be operated solely for the purposes of the loan and in accordance with the instructions contained in the said request.

b) As soon as the Account is opened and before taking any other step required by these arrangements for obtaining any part of the loan, the Government of Indonesia shall furnish the Government of the United Kingdom with a copy of the Government's instructions to the Crown Agents given in accordance with the foregoing provisions of this paragraph. The Government of Indonesia or the Crown Agents on their behalf shall, at the same time, and so often as any change is made therein, notify the Government of the United Kingdom of the names of the Officers who are duly authorised to sign on its behalf the Payment Orders and Requests for Drawing hereinafter provided and shall furnish a specimen signature in duplicate of each such officer.

(c) Unless the Government of the United Kingdom otherwise agree, payments into the Account shall not be made after 31 March 1975.

(4) Save to the extent, if any, to which the Government of the United Kingdom may otherwise agree, drawings from the loan shall be used only:

(a) to reimburse a Bank in the United Kingdom designated by the Government of Indonesia for payments made under irrevocable letters of credit advised after the date of this note for the purpose of any contract for the purchase in the United Kingdom (which expression in this note shall be deemed to include the Channel Islands and the Isle of Man) of goods wholly produced or manufactured in the United Kingdom or, in the case of chemical and allied products, goods which are duly declared to be of United Kingdom origin on the form set out in annex C (Chemicals) to this note, or for work to be done or for services to be rendered by persons ordinarily resident or carrying on business in the United Kingdom or for two or more of such purposes, being a contract which is made in connection with an agreed project and which:

(i) provides for payment in sterling to persons carrying on business in the United Kingdom; and

(ii) is approved by the Government of Indonesia and accepted by Crown Agents on behalf of the Government of the United Kingdom for financing from the loan; and

(iii) is a contract entered into after the date of this note and before 31 December 1974;

(b) for payment of sterling bank charges, commissions, shipping costs and other acceptable charges payable in the United Kingdom to:

(i) the Crown Agents in respect of their services on behalf of the Government of Indonesia in connection with the loan; or

(ii) a Bank designated by the Government of Indonesia in respect of a letter of credit referred to in sub-paragraph (a) of this paragraph;

(c) for reimbursing the Government of Indonesia a proportion of payments made by them or an appropriate authority or agency charged with responsibility for an agreed project for the purpose of such a project provided that any conditions stipulated by the Government of the United Kingdom under paragraph (6) of this note are complied with, being such proportion as is accepted by the Government of the United Kingdom for financing from the loan;

(d) for reimbursing the Government of Indonesia a proportion of payments made by them or an appropriate authority or agency charged with the responsibility for an agreed project towards costs incurred in Indonesia for the purpose of such a project in respect of:

(i) the purchase of goods wholly produced or manufactured in Indonesia; or

- (ii) the costs of services rendered by citizens of the United Kingdom and Colonies or citizens of the Republic of Indonesia being such proportion and such goods and services as are accepted by the Government of the United Kingdom for financing from the loan; or
 - (iii) if the prior approval in writing of the Government of the United Kingdom shall have been given thereto, and subject to the terms of such approval, the cost of services rendered by staff working for the Government of Indonesia or a public or statutory body on an agreed project who are not citizens of the Republic of Indonesia nor of the United Kingdom and Colonies;
- (e) for reimbursing, under such terms and conditions as may be laid down by the Government of the United Kingdom, the Government of Indonesia for payments made to statutory corporations within Indonesia towards the cost of an agreed project;
 - (f) for reimbursing the Government of Indonesia a proportion of the costs of consultancy services provided by a firm of consultants carrying on business in the United Kingdom or Indonesia and selected, in connection with an agreed project, in consultation with and on terms approved by the Government of the United Kingdom, being such proportion as is accepted by the Government of the United Kingdom for financing from the loan.

(5) (a) Where the Government of Indonesia propose that part of the loan shall be allocated to a project, they shall forward to the Government of the United Kingdom through the British Embassy in Djakarta a description of the project and its location and shall provide such further details as the Government of the United Kingdom may require.

(b) The Government of the United Kingdom shall notify the Government of Indonesia whether their proposal to allocate part of the loan to a project is agreed, the amount of the loan agreed, and any special conditions attached to such agreement. If the project has not previously been agreed between the Government of Indonesia and the Government of the United Kingdom, the agreement of the Government of the United Kingdom to a proposal under this sub-paragraph shall constitute the agreement of the project.

(c) The Government of Indonesia shall seek the prior approval of the Government of the United Kingdom if at any time it is necessary to amend an agreed project.

(6) The Government of the United Kingdom may stipulate in respect of any agreed project involving work to be carried out in Indonesia that tenders shall be called for and that some or all of the following conditions shall apply:

- (a) the contract shall be awarded only to a company incorporated or registered in, or a partnership created in, the United Kingdom or in Indonesia and then only with the approval of the Government of the United Kingdom;
- (b) the draft contract documents and the list of undertakings invited to tender shall be approved by the Government of the United Kingdom before an invitation to tender is issued and the contract shall be put out to tender in accordance with such approval;
- (c) the contract shall provide that:
 - (i) all goods imported by the contractor for the purposes of the contract shall be wholly produced or manufactured in the United Kingdom and that all contractor's plant, machinery and equipment used for the purposes of the contract, whether new or part used, shall be so far as practicable of United Kingdom manufacture;
 - (ii) subject to item (i) above, all goods purchased under the contract shall be wholly produced or manufactured in the United Kingdom or in Indonesia;
 - (iii) all work done or services rendered under the contract shall normally be carried out by persons who are citizens of the United Kingdom and Colonies or citizens of the Republic of Indonesia;
 - (iv) the tender must show the cost of any goods and services which are essential elements of the contract, but which are neither of British nor Indonesian origin and must therefore be designated foreign; (such costs shall be known as the "foreign content" element of the tender);

(d) a firm or firms of consultants, carrying on business in the United Kingdom or Indonesia, selected in consultation with and whose terms of reference have been agreed with the Government of the United Kingdom shall be appointed to supervise the execution of the contract.

(7) Where a project has been agreed and the Government of Indonesia propose that part of the loan shall be applied to a contract in connection therewith, that Government shall ensure that the Crown Agents acting on their behalf obtain at the earliest opportunity:

- (i) a copy of the contract, or of a notification thereof in the form set out in annex B to this note; and
- (ii) two copies of a certificate from the contractor concerned in the United Kingdom in the form set out in annex C or annex C (Chemicals) whichever is appropriate) to this note.

(8) (a) After the Crown Agents, acting on behalf of the Government of the United Kingdom, have considered the documents described in paragraph (7) of this note, they shall decide whether and to what extent a contract is eligible for payment from the loan.

(b) To the extent that the Crown Agents acting on behalf of the Government of the United Kingdom, so accept a contract and agree to payment from the Account, and to the extent that reimbursement of costs incurred by the Government of Indonesia is properly due from the Account, the Government of the United Kingdom shall, on receipt of a request from the Crown Agents on behalf of the Government of Indonesia, in the form set out in annex C (i) to this note, make payments in sterling into the Account and each such payment shall constitute a drawing on the loan.

(9) (a) For reimbursements to a Bank in the cases to which sub-paragraph (4) (a) of this note refers, withdrawals from the Account shall be made only on receipt by the Crown Agents of:

- (i) Payment Certificates from the contractors concerned in the form shown in annex E hereto and the invoices referred to therein, or
- (ii) the invoices only relating to the contracts in respect of which a Contract Certificate in the form shown in annex C (Chemicals) hereto has been provided.

Provided that:

(aa) the amount of reimbursement made in respect of any one contract, excluding the sterling bank charges, commissions, shipping costs and other acceptable charges referred to in paragraph (4) (b) of this note, shall not exceed the amount specified in relation to that contract in accordance with the procedure at paragraph (8) (a) of this note;

(bb) where the amount shown in paragraphs 5 or 6 of the Contract Certificate relating to that contract is exceeded, the Government of Indonesia, at the request of the Government of the United Kingdom, shall pay an amount equal to the difference into the Account; and

(cc) photocopies or duplicates of invoices may be submitted instead of the originals for the purposes of this sub-paragraph.

(b) For payments to which sub-paragraph (4) (b) of this note refers, the Crown Agents shall debit the Account and inform the Government of Indonesia of the amounts so debited.

(c) For reimbursements to the Government of Indonesia in the cases to which sub-paragraphs (4) (c) and (4) (f) of this note refer, the withdrawals shall be made in accordance with Payment Orders in the form shown in annex D hereto duly signed on behalf of that Government and countersigned by the Government of the United Kingdom. Each Payment Order shall be forwarded in duplicate to the Government of the United Kingdom for countersignature and shall be accompanied by:

- (i) in the cases to which sub-paragraph (4) (c) of this note refers, a certificate from the consultants in the form shown in annex F hereto together with a copy of the consultant's certificate authorising payment to the contractor; and
- (ii) in the cases to which sub-paragraph (4) (f) of this note refers, a copy of the invoice from the firm or firms of consultants concerned.

(d) For reimbursements to the Government of Indonesia in the cases to which sub-paragraphs (4) (d) and (4) (e) of this note refer, withdrawals shall be made in accordance with Payment Orders in the form shown in annex D (i) hereto duly signed on behalf of that Government and countersigned by the Government of the United Kingdom. Each Payment Order shall be forwarded in duplicate to the Government of the United Kingdom for countersignature and shall be accompanied by a claim from the Government of Indonesia in the form shown in annex G hereto.

(10) If any monies that have been paid out of the Account are subsequently refunded either by the Contractor or by a guarantor, the Government of Indonesia shall, so long as there are payments to be made from the Account, pay an equivalent of such sums into the Account and, in any other case, apply the refunds to the reduction of the loan.

(11) The Government of Indonesia shall ensure the provision of such finance additional to the loan finance provided in accordance with the arrangements set out in this note as may be needed to complete each agreed project and shall ensure that such finance shall be provided during the same period as the loan finance and in accordance with any programme of disbursements agreed between that Government and the Government of the United Kingdom.

(12) The Government of Indonesia shall supply to the Government of the United Kingdom an annual statement in duplicate in respect of each project to which any part of the loan is allocated or applied. Each statement shall be countersigned by the appropriate Indonesian audit authority and shall show the loan drawings made for the purposes of sub-paragraphs (4) (c), (d), (e) and (f) of this note and the actual expenditure incurred during the Indonesian financial year and shall certify that the expenditure was made in accordance with the terms and conditions set out in this note and any conditions on which the project or transaction was agreed or accepted for financing from the loan. Such statements shall be forwarded to the Government of the United Kingdom as soon as possible and, in any event, not later than twelve months after the end of each Indonesian financial year. Annual audited statements shall also be required from statutory corporations in respect of those projects and for those years for which British development loan monies were received and spent.

(13) The Government of Indonesia shall repay to the Government of the United Kingdom in pounds sterling in London the total sum borrowed under the arrangements set out in this note, such repayment to be made by instalments paid on the dates and in the amounts specified below; except that if on the date when any such instalment is due to be paid, there is then outstanding less than the amount specified for that instalment, only the amount then outstanding shall be paid:

<i>Date due</i>	INSTALMENTS	<i>Amount</i>
		£
1 January 1980 and on the 1st of January in each of the succeeding 17 years		194,400
1 July 1980 and on the 1st of July in each of the succeeding 16 years		194,400
1 July 1997		196,000

(14) Notwithstanding the provisions of paragraph (13) of this note, the Government of Indonesia shall be free at any earlier time to repay to the Government of the United Kingdom in pounds sterling in London the whole or any part of the loan that is still outstanding.

(15) The Government of Indonesia shall permit officers of the British Embassy in Djakarta and other servants or agents of the Government of the United Kingdom to visit any project for which any part of the loan is allocated or made available and shall furnish such officers, servants and agents with such information relating to the projects and the progress and financing thereof as the latter may reasonably require.

2. If the foregoing proposals are acceptable to the Government of Indonesia, I have the honour to suggest that the present note and its annexes, together with your reply in that sense shall constitute an agreement between the two Governments which shall enter into force on the date of your reply and shall be known as the United Kingdom/Indonesia Loan Agreement (No. 1) 1972—Project Development.

I have the honour to be with the highest consideration and respect your obedient servant,

ALEC DOUGLAS-HOME
