IN THE GENERAL REGISTER

Where a university in the Republic of Ireland grants a veterinary degree in the case of which an order under section 2 (1) of the Irish Act of 1952 is for the time being in force, and it appears to the Council that the courses of study and examinations leading to the degree are such as sufficiently to guarantee that holders of the degree will have acquired the knowledge and skill needed for the efficient practice of veterinary surgery, the Council may recommend to the Privy Council that the Privy Council should by order give a direction (in this Agreement referred to as “a Privy Council recognition order”) that any person on whom the degree is conferred during the continuance in force of that order shall thereby be qualified to be a member of the College, and that any such person shall, on application in accordance with article 6 of this Agreement, be registered in the General Register and become a member of the College accordingly.

Article 4. REVOCATION AND SUSPENSION OF PRIVY COUNCIL

(2) The Council shall consider any such observations or objections made by the university concerned within such time, not less than two months from the giving of the said notice, as the Council may determine, and they may if they think fit recommend to the Privy Council that the Privy Council should by order direct the revocation or suspension of the Privy Council recognition order.

Article 9. REPORT OF FINDING OF PROFESSIONAL MISCONDUCT

(1) Whenever a person registered in both the General Register and the Irish Register is alleged to have been guilty of disgraceful conduct in any professional respect, then —

- (a) if such person practises as a veterinary surgeon exclusively outside the Republic of Ireland, or such person practises as a veterinary surgeon both outside and within the Republic of Ireland, and the disgraceful conduct is alleged to have been committed, or (in the case of continuing conduct) begun, outside the Republic of Ireland, the powers of investigating such allegation shall be exercisable by the Council under section 15 of the United Kingdom Act, and the Council shall report to the Irish Council every case in which it is determined to remove or suspend from the General Register the name of any person registered in the Irish Register, and such report shall be conclusive as to the facts, but so that the Irish Council shall form their own opinion on the case independently of any opinion of the Council and act accordingly; and
- (b) if such person practises as a veterinary surgeon exclusively within the Republic of Ireland, or such person practises as a veterinary surgeon both within and outside the Republic of Ireland, and the disgraceful conduct is alleged to have been committed, or (in the case of continuing conduct) begun, within the Republic of Ireland, the powers of investigating such allegation shall be exercisable by the Irish Council through a committee under section 35 of the Irish Act of 1931, and the Irish Council shall report to the Council every case in which it is determined to erase or suspend from the Irish Register the name of any person registered in the General Register, and such report shall be conclusive as to the facts, but so that the Disciplinary Committee of the Council shall form their own opinion on the case independently of any opinion of the Irish Council and act accordingly.

Article 10. ENTRY INTO FORCE

(1) The Government of the United Kingdom of Great Britain and Northern Ireland and the Government of the Republic of Ireland shall, as soon as possible, take such steps as may be necessary under the laws of their respective countries to enable effect to be given to the preceding provisions of this Agreement which shall enter into force on whichever date is the later of the following:

IN WITNESS WHEREOF the undersigned, duly authorised thereto by their respective Governments, have signed the present Agreement.
