Sir,

Reference is made to the letter of 11th April 1973 from the Treasury concerning Danish financial assistance towards the construction of a health auxiliary school in Kondoia.

The Government of Denmark is willing during a period of 2 years to make available a grant of 1,500,000 D.Kr. towards the construction of a health auxiliary school in Kondoia under the following general conditions:

1) The grant will be transferred to the Tanzanian Treasury with 500,000 D.Kr. on January 1st, 1974, and 1,000,000 D.Kr. on January 1st, 1975.

2) Immediately upon receipt of each transfer, a duly signed receipt voucher shall be forwarded to the Danish International Development Agency (DANIDA) in Copenhagen.

3) Each year by August 30 during the construction period and immediately after completion of the health auxiliary school, a detailed statement of accounts, accompanied by the appropriate building certificates, must be established by the responsible project authorities. These accounts shall be duly signed by a certified and independent auditor as well as by the Treasury and forwarded to DANIDA.

4) If the allocated funds are not totally utilized for the stipulated purposes, the balance must be retransferred to DANIDA together with the forwarding of the above accounts.

5) If the total accounts of the project in question exceed the allocated 1,500,000 D.Kr., the balance shall be covered by the Tanzanian authorities.

6) Every six months a progress report of the project shall be compiled and forwarded to DANIDA.

If the foregoing proposal is acceptable to the Government of Tanzania, I have the honour to suggest that this note and your reply to that effect shall
