The Government of the importing country shall furnish, in accordance with its fiscal year budget reporting procedures, at such time as may be requested by the Government of the exporting country but not less often than annually, a report of the receipt and expenditure of the proceeds, certified by appropriate audit authority of the Government of the importing country, and in the case of expenditures the budget sector in which they were used.

c. The currency use payment under part II, item II, 2, of this Agreement shall be credited against (a) the amount of each year's interest payment due during the period prior to the due date of the first principal installment payment, starting with the first year, plus (b) the combined payments of principal and interest starting with the first principal installment payment, until value of the currency use payment has been offset.

IN WITNESS WHEREOF, the respective representatives, duly authorized for the purpose, have signed the present Agreement.

WITH REFERENCE TO THE AGRICULTURAL COMMODITIES AGREEMENT OF JULY 25, 1973

The Government of the Khmer Republic further understands that the Government of the United States of America can in such case terminate the Commodity Sales Agreement under the termination clause.
