EXCHANGE OF NOTES CONSTITUTING AN AGREEMENT<sup>1</sup> BETWEEN THE UNITED STATES OF AMERICA AND MALAYSIA CONCERNING TRADE IN COTTON, WOOL AND MAN-MADE FIBER TEXTILES

I

*The American Ambassador to the Malaysian Ministry of Foreign Affairs*

No. 4

Excellency:

I have the honor to refer to the Arrangement Regarding International Trade in Textiles done at Geneva on December 23, 1973<sup>\*1,2</sup>, hereinafter referred to as the Arrangement. I also refer to recent discussions between Representatives of our two Governments concerning exports of cotton, wool and man-made fiber textiles and textile products from Malaysia to the United States. As a result of those discussions, I wish to propose the following Agreement relating to trade in cotton, wool, and man-made fiber textiles and textile products between Malaysia and the United States.

1. The term of this Agreement shall be from January 1, 1975, through December 31, 1977. During such term, the Government of Malaysia will limit annual exports of cotton, wool and man-made fiber textiles and textile products from Malaysia to the United States to aggregate, group, and specific limits at the levels specified in the following paragraphs.

2. For the first Agreement year, constituting the twelve-month period beginning January 1, 1975, the aggregate limit will be 32,987,470 square yards equivalent.

3. Within the aggregate limit, the following group limits shall apply for the first Agreement year:

III (categories 101-132) .....	1,000,000

4. Within the applicable group limits, the following specific limits will apply for the first Agreement year:

<i>Category</i>	<i>Limit</i> <i>(in square yards equivalent)</i>
<i>Group I: Cotton and man-made fiber yarn and fabrics, made-ups and miscellaneous</i>

5. Within the aggregate limit, the limit for Group I may be exceeded in any Agreement year by 15 percent, the limit for Group II may be exceeded by 7 percent, and the limit for Group III may be exceeded by one percent. Within the group limits, as adjusted, the specific limits in Group I may be exceeded by 10 percent in any Agreement year, the specific limits in Group II may be exceeded by 7 percent and the specific limits in Group III (in the event that specific limits are established within this Group) may be exceeded by 5 percent. The limits referred to in this paragraph are without the adjustments provided for under this paragraph or paragraph 7 of this Agreement.

6. (a) For the second and succeeding Agreement years, the aggregate limit shall be increased by 7 percent of the aggregate for the preceding year. Within that limit, the limit for Group III shall be increased by one percent annually. Within the aggregate and applicable group limits, all specific limits and consultation levels shall be increased by 7 percent annually except those limits in Group III which shall be increased by one percent annually.

(b) The difference between the amounts resulting from the application of a 7 percent annual growth to the aggregate limit and a one percent annual growth to the limit for Group III shall be divided *pro rata* among Groups I and II.

(c) Notwithstanding the provisions of sub-paragraphs (a) and (b) of this paragraph, if exports of cotton, wool and man-made fiber textiles from Malaysia to the United States during the first Agreement year are approximately 85 percent or more of the aggregate limit for that year, the aggregate limit for the second Agreement year shall be increased by a further quantity of 2,500,000 square yards equivalent. Such further increase will be prorated among the groups and categories and will be included in such totals for purposes of calculating the third Agreement year levels.

(d) If exports of cotton, wool and man-made fiber textiles from Malaysia to the United States during the second Agreement year are approximately 85 percent or more of the applicable aggregate limit for that year, the aggregate limit shall be increased by a further quantity of 3,000,000 square yards equivalent, which increase shall be prorated among the groups and categories.

(e) The limits referred to in this paragraph are without adjustments under other provisions of this Agreement.

(f) The growth rate of 7 percent per annum, and the potential incremental increases in base levels provided for in sub-paragraphs (c) and (d) of this paragraph, are provided for in conformity with Article 6, paragraphs (1) and (2), respectively, of the Arrangement and in mutual recognition of the propriety of adjusting levels for man-made fiber and wool textiles.

7. (a) In any Agreement year, exports may exceed by a maximum of 11 percent the aggregate limit and any group or specific limit by allocating to the limits for that year an unused portion of the applicable limit for the previous Agreement year (carryover) or a portion of the applicable limit for the succeeding Agreement year (carry forward):

(i) carryover may be utilized as available up to 11 percent of the receiving year's applicable limits;

- (ii) carry forward may be utilized up to 6 percent of the receiving year's applicable limits and charged against the next year's applicable limits;
- (iii) the combination of carryover and carry forward may not exceed 11 percent of the receiving year's applicable limits in any Agreement year.

Notwithstanding the foregoing, carryover of shortfalls into the first Agreement year shall not be more than 5 percent of the applicable limits for the year ending August 31, 1974, as extended to December 31, 1974, provided for in the Agreements between the Governments concerning trade in cotton textiles<sup>1</sup> and in wool and man-made fiber textiles of September 8, 1970, as amended<sup>2</sup>.

(b) For purposes of this Agreement, a shortfall occurs when exports from Malaysia to the United States during an Agreement year are below the aggregate limits in this Agreement or the limits in force for the year ending December 31, 1974, as provided in the Agreements referred to [in] sub-paragraph (a) above. In the Agreement year following the shortfall, exports from Malaysia may be permitted to exceed the aggregate, group, and specific limits in accordance with the provisions of sub-paragraphs (a) and (b) of this paragraph by carryover of shortfalls in the following manner:

- (i) the carryover shall not exceed the amount of shortfall in either the aggregate limit or any applicable group or specific limit; and
- (ii) in the case of shortfalls in the categories (or combination of categories) subject to specific limits, the shortfalls shall be used in the same category (or combination of categories) in which the shortfall occurred; and
- (iii) in the case of shortfalls not attributable to categories (or combination of categories) subject to specific limits, the carryover shall be used in the same group in which the shortfall occurred.

(c) The limits referred to in sub-paragraphs (a) and (b) of this paragraph are without any adjustment under this paragraph or paragraph 5 above.

(d) The total adjustment under this paragraph shall be in addition to the adjustments permitted by paragraph 5 to the limits for any year.

8. (a) Categories not given specific limits are subject to consultation levels and to the aggregate and applicable group limits. In the event the Government of Malaysia wishes to permit exports to the United States in any category in excess of the applicable consultation level during any Agreement year, the Government of Malaysia shall request consultations with the Government of the United States of America on this question and the Government of the United States of America shall enter into such consultations. Until agreement on a different level of exports is reached, the Government of Malaysia shall limit exports to the United States in the category in question to the consultation level. For the first Agreement year, the minimum consultation level for each category not given a specific limit shall be 1,000,000 square yards equivalent in categories 1-38, 64, 200-213 and 241-243; 700,000 square yards equivalent in categories 39-63 and 214-240; and 102,010 square yards equivalent in categories 101-132. Consultation levels above these stated amounts shall be specified in Annex A.

(b) The two Governments shall consult prior to the beginning of the second and third Agreement year[s] to review the consultation levels specified in sub-paragraph (a) above, as well as to review other matters pertaining to the Agreement's implementation.

9. The Government of Malaysia shall use its best efforts to space exports to the United States within each category evenly throughout the Agreement year, taking into consideration normal seasonal factors.

10. The Government of the United States of America shall promptly supply the Government of Malaysia with data on monthly imports of cotton, man-made fiber and wool textiles from Malaysia; and the Government of Malaysia shall promptly supply the Government of the

<sup>1</sup> United Nations, *Treaty Series*, vol. 764, p. 249, and p. (A-10934) of this volume.

<sup>2</sup> *Ibid.*, vol. 763, p. 105, vol. 916, p. 318, and p. (A-10914) of this volume.

United States of America with data on monthly exports of cotton, man-made fiber and wool textiles from Malaysia to the United States. Each Government agrees to supply promptly any other pertinent and readily available statistical data requested by the other Government.

11. (a) In implementing this Agreement, the system of categories and the rates of conversion into square yards equivalent listed in the Annex B hereto shall apply.

(b) Tops, yarns, piece goods, made-up articles, garments, and other textile manufactured products (being products which derive their chief characteristics from their textile components) of cotton, wool, man-made fibers, or blends thereof, in which any or all of those fibers in combination represent either the chief value of the fibers or 50 percent or more by weight (or 17 percent or more by weight of wool) of the product, are included.

(c) For purposes of this Agreement, textile products shall be classified as cotton, wool or man-made fiber textiles if wholly or in chief value of either of these fibers. All other products described in sub-paragraph (b) of this paragraph shall be classified as:

- (i) cotton textiles if containing 50 percent or more by weight of cotton, or if the cotton component exceeds by weight the wool, and/or the man-made fiber component;
- (ii) wool textiles if not cotton, and the wool equals or exceeds 17 percent by weight of all component fibers;
- (iii) man-made fiber textiles if neither of the foregoing applies.

12. The Government of Malaysia and the Government of the United States of America agree to consult on any question arising in the implementation of this Agreement. If the two Governments are unable to reach a mutually satisfactory solution within a reasonable period of time to problems which have been the subject of consultations under the Agreement or its related document, either Government may, after notification to the other Government, refer such problems to the Textiles Surveillance Body in accordance with Article 11 of the Arrangement.

13. In conformity with Article 12, paragraph (3), of the Arrangement, this Agreement shall not apply to exports of handloom fabrics of the Malaysian cottage industry, or handmade Malaysian cottage industry products made of such handloom fabrics, or to traditional Malaysian folklore handicraft textile products, provided that such products are properly certified under arrangements established between the two Governments.

14. Mutually satisfactory administrative arrangements or adjustments may be made to resolve minor problems arising in the implementation of this Agreement, including differences in points of procedure or operation.

15. If the Government of Malaysia considers that, as a result of limitations specified in this Agreement, it is being placed in an inequitable position vis-à-vis a third country, the Government of Malaysia may request consultations with the Government of the United States of America with a view to taking appropriate remedial action such as reasonable modification of this Agreement.

16. For the duration of this Agreement, the Government of the United States of America shall not invoke the procedures of Article 3 of the Arrangement to request restraint on the export of cotton, wool and man-made fiber textiles from Malaysia to the United States.

17. The Government of the United States of America may assist the Government of Malaysia in implementing the limitation provisions of this Agreement by controlling imports of cotton, wool and man-made fiber textiles covered by the Agreement.

18. Either Government may terminate this Agreement effective at the end of any Agreement year by written notice to the other Government to be given at least 90 days prior to the end of such Agreement year. Either Government may at any time propose revisions in the terms of this Agreement.

If this proposal is acceptable to the Government of Malaysia, this note and your note of confirmation on behalf of the Government of Malaysia shall constitute an

agreement between the Government of Malaysia and the Government of the United States of America.

Accept, Excellency, the assurances of my highest consideration.
