30 July 1974

Sir,

I refer to the Convention on the Privileges and Immunities of the Specialized Agencies,<sup>2</sup> and in particular to Section 10 of the Convention, in view of alterations in the tax system of the United Kingdom.

I now propose that Section 10 should be interpreted and applied in the United Kingdom so as to accord the World Meteorological Organization a refund of car tax and value added tax on the purchase of new motor cars of United Kingdom manufacture, and value added tax paid on the supply of goods or services necessary for its official activities and which are supplied on a recurring basis or involve considerable quantities of goods or considerable expenditure.

If the foregoing proposals are acceptable to the World Meteorological Organization I propose that this Note, together with your reply in that sense, shall constitute an Agreement between the Government of the United Kingdom of Great Britain and Northern Ireland and the World Meteorological Organization which shall enter into force on the date on which the United Kingdom legislation giving effect to the Agreement comes into operation, which date will be notified to the World Meteorological Organization.

I avail myself of this opportunity to renew, Sir, the assurance of my highest consideration.

D. H. T. HILDYARD

<sup>1</sup> Came into force on 24 July 1975, the date on which the United Kingdom legislation giving effect to the Agreement came into operation, in accordance with the provisions of the said notes.
