Article 2. PROMOTION AND PROTECTION OF INVESTMENTS

(1) Each Contracting Party shall encourage and create favourable conditions for nationals or companies of the other Contracting Party to invest capital in its territory and, subject to its right to exercise powers conferred by its laws, shall admit such capital.

(2) Investments of nationals or companies of either Contracting Party shall at all times be accorded fair and equitable treatment and shall enjoy full protection and security in the territory of the other Contracting Party. Each Contracting Party shall ensure that the management, maintenance, use, enjoyment or disposal of investments in its territory of nationals or companies of the other Contracting Party is not in any way impaired by unreasonable or, except as provided for in Article 3 (3), discriminatory measures. Each Contracting Party shall observe any obligation it may have entered into with regard to investments of nationals or companies of the other Contracting Party.

Article 3. MOST-FAVOURLED-NATION PROVISIONS

(1) Neither Contracting Party shall in its territory subject investments or returns of nationals or companies of the other Contracting Party to treatment less favourable than that which it accords to investments or returns of its own nationals or companies or to investments or returns of nationals or companies of any third State.

(2) Neither Contracting Party shall in its territory subject nationals or companies of the other Contracting Party, as regards their management, use, enjoyment or disposal of their investments, to treatment less favourable than that which it accords to its own nationals or companies or to nationals or companies of any third State.

(3) Notwithstanding the provisions of paragraphs (1) and (2) of this Article, and provided its laws so provide in respect of all non-nationals and in relation to particular matters, a Contracting Party may accord to the nationals or companies of the other Contracting Party treatment less favourable than that accorded to its own nationals or companies.

Article 4. COMPENSATION FOR LOSSES

(1) Nationals or companies of one Contracting Party whose investments in the territory of the other Contracting Party suffer losses owing to war or other

armed conflict, revolution, a state of national emergency, revolt, insurrection or riot in the territory of the latter Contracting Party, shall be accorded by the latter Contracting Party treatment, as regards restitution, indemnification, compensation or other settlement, no less favourable than that which the latter Contracting Party accords to its own nationals or companies or to nationals or companies of any third State.

(2) Without prejudice to paragraph (1) of this Article nationals and companies of one Contracting Party who in any of the situations referred to in paragraph (1) suffer losses in the territory of the other Contracting Party resulting from:

(a) requisitioning of their property by its forces or authorities;

(b) destruction of their property by its forces or authorities which was not caused in combat action or was not required by the necessity of the situation,

shall be accorded restitution or adequate compensation. Resulting payments shall be freely transferable.

Article 5. EXPROPRIATION

(1) Investments of nationals or companies of either Contracting Party shall not be nationalised, expropriated or subjected to measures having effect equivalent to nationalisation or expropriation in the territory of the other Contracting Party except for a public purpose related to the internal needs of the expropriating Party and against prompt, adequate and effective compensation. Such compensation shall amount to the market value of the investment expropriated immediately before the expropriation or impending expropriation became public knowledge, shall include interest at such rate as may be prescribed by law until the date of payment, shall be made without delay, be effectively realizable and be freely transferable. Provision shall be made by law giving a national or company concerned a right to speedy review of his or its case and of the valuation of his or its investment in accordance with the principles set out in this paragraph by a judicial or other independent authority of the Contracting Party making the expropriation.

(2) Where a Contracting Party expropriates the assets of a company which is incorporated or constituted under the law in force in any part of its own territory, and in which nationals or companies of the other Contracting Party own shares, it shall ensure that the provisions of paragraph (1) of this Article are applied to the extent necessary to guarantee prompt, adequate and effective compensation in respect of their investment to such nationals or companies of the other Contracting Party who are owners of those shares.

Article 6. REPATRIATION OF INVESTMENTS

Each Contracting Party shall, in respect of investments, guarantee to nationals and companies of the other Contracting Party the free transfer of their capital and of the returns from it, subject to the right of each Contracting Party in exceptional financial or economic circumstances to exercise equitably and in good faith powers conferred by its laws.

Article 7. EXCEPTIONS

The provisions in this Agreement relative to the grant of treatment not less favourable than that accorded to the nationals or companies of either Contracting

Party or of any third State shall not be construed so as to oblige one Contracting Party to extend to the nationals or companies of the other the benefit of any treatment, preference or privilege which may be extended by the former Contracting Party by virtue of:

- (a) the formation or extension of a customs union or a free trade area or a common external tariff area or a monetary union; or
- (b) the adoption of an agreement designed to lead to the formation or extension of such a union or area within a reasonable length of time; or
- (c) any international agreement or arrangement relating wholly or mainly to taxation or any domestic legislation relating wholly or mainly to taxation.

Article 8. REFERENCE TO INTERNATIONAL CENTRE FOR SETTLEMENT OF INVESTMENT DISPUTES

(1) Each Contracting Party hereby consents to submit to the International Centre for the Settlement of Investment Disputes (hereinafter referred to as the "Centre") for settlement by arbitration under the Convention on the settlement of investment disputes between States and nationals of other States opened for signature at Washington on 18 March 1965¹ any legal dispute arising between that Contracting Party and a national or company of the other Contracting Party concerning an investment of the latter in the territory of the former. A company which is incorporated or constituted under the law in force in the territory of one Contracting Party and in which before such a dispute arises the majority of shares are owned by nationals or companies of the other Contracting Party shall in accordance with Article 25 (2) (b) of the Convention be treated for the purposes of the Convention as a company of the other Contracting Party. If any such dispute should arise and agreement cannot be reached within three months between the parties to this dispute through pursuit of local remedies or otherwise, then, if the national or company affected also consents in writing to submit the dispute to the Centre for settlement by arbitration under the Convention, either party may institute arbitration proceedings by addressing a request to that effect to the Secretary-General of the Centre as provided in Article 36 of the Convention. The Contracting Party which is a party to the dispute shall not raise as an objection at any stage of arbitration proceedings or enforcement of an award the fact that the national or company which is the other party to the dispute has received in pursuance of an insurance contract an indemnity in respect of some or all of his or its losses.

(2) Neither Contracting Party shall pursue through diplomatic channels any dispute referred to the Centre unless:

- (a) the Secretary-General of the Centre, or an arbitral tribunal constituted by it, decides that the dispute is not within the jurisdiction of the Centre; or
- (b) the other Contracting Party should fail to abide by or to comply with any award rendered by such a tribunal.

Article 9. DISPUTES BETWEEN THE CONTRACTING PARTIES

(1) Disputes between the Contracting Parties concerning the interpretation or application of this Agreement should, if possible, be settled through diplomatic channels.

¹ United Nations, *Treaty Series*, vol. 575, p. 159.

(2) If a dispute between the Contracting Parties cannot thus be settled, it shall upon the request of either Contracting Party be submitted to an arbitral tribunal.

(3) Such an arbitral tribunal shall be constituted for each individual case in the following way. Within two months of the receipt of the request for arbitration, each Contracting Party shall appoint one member of the tribunal. Those two members shall then select a national of a third State who on approval by the two Contracting Parties shall be appointed Chairman of the tribunal. The Chairman shall be appointed within two months from the date of appointment of the other two members.

(4) If within the periods specified in paragraph (3) of this Article the necessary appointments have not been made, either Contracting Party may, in the absence of any other agreement, invite the President of the International Court of Justice to make any necessary appointments. If the President is a national of either Contracting Party or if he is otherwise prevented from discharging the said function, the Vice-President shall be invited to make the necessary appointments. If the Vice-President is a national of either Contracting Party or if he too is prevented from discharging the said function, the Member of the International Court of Justice next in seniority who is not a national of either Contracting Party shall be invited to make the necessary appointments.

(5) The arbitral tribunal shall reach its decision by a majority of votes. Such decision shall be binding on both Parties. Each Contracting Party shall bear the cost of its own member of the tribunal and of its representation in the arbitral proceedings; the cost of the Chairman and the remaining costs shall be borne in equal parts by the Contracting Parties. The tribunal may, however, in its decision direct that a higher proportion of costs shall be borne by one of the two Parties, and this award shall be binding on both Parties. The tribunal shall determine its own procedure.

Article 10. SUBROGATION

If either Contracting Party makes payment under an indemnity it has given in respect of an investment or any part thereof in the territory of the other Contracting Party, the latter Contracting Party shall recognise:

- (a) the assignment, whether under the law or pursuant to a legal transaction, of any right or claim from the party indemnified to the former Contracting Party (or its designated Agency), and
- (b) that the former Contracting Party (or its designated Agency) is entitled by virtue of subrogation to exercise the rights and enforce the claims of such a party.

The former Contracting Party (or its designated Agency) shall accordingly if it so desires be entitled to assert any such right or claim to the same extent as its predecessor in title either before a Court or tribunal in the territory of the latter Contracting Party or in any other circumstances. If the former Contracting Party acquires amounts in the lawful currency of the other Contracting Party or credits thereof by assignment under the terms of an indemnity, the former Contracting Party shall be accorded in respect thereof treatment not less favourable than that accorded to the funds of companies or nationals of the latter Contracting Party or of any third State deriving from investment activities

similar to those in which the party indemnified was engaged. Such amounts and credits shall be freely available to the former Contracting Party concerned for the purpose of meeting its expenditure in the territory of the other Contracting Party.

Article 11. TERRITORIAL EXTENSION

At the time of signature of this Agreement, or at any time thereafter, the Government of the United Kingdom may, with the consent of the Government of the Republic of Singapore, extend its provisions to any territory for whose international relations they are responsible.

Article 12. APPROVAL OF INVESTMENTS

The provisions of this Agreement shall only extend to investments, whether made before or after the coming into force of this Agreement, which are specifically approved in writing by the Contracting Party in whose territory the investments have been made or will be made.

Article 13. ENTRY INTO FORCE

This Agreement shall enter into force on signature.

Article 14. DURATION AND TERMINATION

This Agreement shall remain in force for a period of ten years. Thereafter it shall continue in force until the expiration of twelve months from any date on which either Contracting Party shall have given written notice of termination to the other. Provided that in respect of investments made whilst the Agreement is in force, its provisions shall continue in effect with respect to such investments for a period of ten years after the date of termination and without prejudice to the application thereafter of the rules of general international law.

IN WITNESS WHEREOF the undersigned, duly authorised thereto by their respective Governments, have signed this Agreement.
