LOAN AGREEMENT dated September 11, 1974, among the REPUBLIC OF KENYA ("Borrower"), the AGRICULTURAL FINANCE CORPORATION ("AFC"), and the UNITED STATES OF AMERICA acting through the AGENCY FOR INTERNATIONAL DEVELOPMENT ("A.I.D.").

### Article I. THE LOAN

*Section 1.01.* THE LOAN. A.I.D. agrees to lend to the Borrower pursuant to the Foreign Assistance Act of 1961, as amended, an amount not to exceed nine million six hundred thousand (9,600,000) United States dollars ("Loan") to assist the Borrower and AFC in carrying out the Project described in section 1.02 ("Project"). The Loan shall be used exclusively to finance United States dollar costs ("Dollar Costs") and local currency costs ("Local Currency Costs") of goods and services required for the Project. The aggregate amount of disbursements under the Loan is hereinafter referred to as "Principal".

*Section 1.02.* THE PROJECT. The Project comprises a portion of a multilateral project to be financed by the Governments of Canada, Kenya, and the United Kingdom, together with A.I.D. and the International Development Association ("I.D.A."). The Project to be financed jointly by Borrower and A.I.D. shall consist of three parts or subprojects (hereinafter referred to as Project Part A, Project Part C and Project Part F (iii) in conformity with the I.D.A. Credit Agreement for the Second Livestock Development Project)<sup>1</sup> which are more specifically described, as follows:

Project Part A shall consist of Borrower's relending to AFC a portion of the proceeds of the Loan ("Reloan") and the onlending ("Subloans") by AFC to ranching enterprises ("Sub-Borrowers") of these funds together with other funds as may be provided by Borrower or AFC for Subloans under this Agreement, and shall include administrative activities related to such AFC onlending.

<sup>1</sup> United Nations, *Treaty Series*, vol. 1033, p. 299.

Project Part C shall consist of goods and services to assist the development and improvement of livestock grazing areas and livestock production in the North Eastern Province of Kenya.

Project Part F (iii) shall consist of consultant studies for the meat processing industry in Kenya.

The Project is more fully described in annex A, attached hereto, which annex may be modified in writing. The goods and services to be financed under the Loan shall be listed in the Implementation Letters referred to in section 9.03 ("Implementation Letters").

*Section 1.03. USE OF FUNDS GENERATED BY OTHER UNITED STATES ASSISTANCE.* The Borrower shall use for the Project, in lieu of any United States dollars that would otherwise be disbursed under the Loan to finance the local currency costs of the Project, any currencies other than United States dollars that may become available to the Borrower after the date of this Agreement in connection with assistance (other than the Loan) provided by the United States of America to the Borrower to the extent and for the purposes that A.I.D. and the Borrower may agree in writing. Any such funds used for the Project shall reduce the amount of the Loan (to the extent that it shall not then have been disbursed) by an equivalent amount of United States dollars computed, as of the date of the agreement between A.I.D. and the Borrower as to the use of such funds, using the most favorable exchange rate to the dollar then lawfully existing in Kenya.

## *Article II. LOAN TERMS*

*Section 2.01. INTEREST.* The Borrower shall pay to A.I.D. interest which shall accrue at the rate of two percent (2 %) per annum for ten (10) years following the date of the first disbursement hereunder and at the rate of three percent (3 %) per annum thereafter on the outstanding balance of Principal and on any due and unpaid interest. Interest on the outstanding balance shall accrue from the date of each respective disbursement (as such date is defined in section 7.04) and shall be computed on the basis of a 365-day year. Interest shall be payable semiannually. The first payment of interest shall be payable no later than six (6) months after the first disbursement hereunder on a date to be specified by A.I.D.

*Section 2.02. REPAYMENT.* The Borrower shall repay to A.I.D. the Principal within forty (40) years from the date of the first disbursement hereunder in sixty-one (61) approximately equal semiannual installments of Principal and interest. The first installment of Principal shall be payable nine and one-half (9½) years after the date on which the first payment is due in accordance with section 2.01. A.I.D. shall provide the Borrower with an amortization schedule in accordance with this section after the final disbursement under the loan.

*Section 2.03. APPLICATION, CURRENCY, AND PLACE OF PAYMENT.* All payments of interest and Principal by the Borrower hereunder shall be made in United States dollars and shall be applied first to the payment of interest due and payable and then to the repayment of Principal. Except as A.I.D. may otherwise specify in writing, all such payments shall be made to the Office of Financial Management, Agency for International Development, Washington, D.C., U.S.A., and shall be deemed made when received by the Office of Financial Management.

*Section 2.04. PREPAYMENT.* Upon payment of all interest and refunds then due and payable, the Borrower may prepay, without penalty, all or any part of the Principal. Any such prepayment shall be applied to the installments of Principal in the inverse order of their maturity.

*Section 2.05. RENEGOTIATION OF THE TERMS OF THE LOAN.* The Borrower agrees to negotiate with A.I.D., at such time or times as A.I.D. may request, an acceleration of the repayment of the Loan in the event that there is any significant improvement in the internal and external economic and financial position and prospects of Kenya.

### *Article III. RELOANS AND SUBLOANS (PROJECT PART A)*

*Section 3.01. RELOAN.* The Borrower agrees to reloan to AFC all of the Loan funds allocated for Part A by this Agreement in accordance with the terms and conditions hereof and of a Reloan Agreement between the Borrower and AFC to be approved by A.I.D. in writing prior to execution, and in accordance with such procedures as may be specified in Implementation Letters. Upon approval by A.I.D. and the execution of such Reloan Agreement, the Borrower agrees to enforce such Agreement in accordance with the terms thereof. As shall be stated in such Reloan Agreement, AFC shall repay Principal and shall pay interest to the Borrower in such currency as is, at the time of payment, legal tender in the Republic of Kenya. AFC will pay the Borrower interest at a rate of three percent (3%) per annum on the outstanding balance of Principal and on any due and unpaid interest. Interest on the outstanding balance shall accrue from the date of each respective disbursement. AFC shall repay the Principal and shall pay all accrued interest within twenty (20) years from the date of the first disbursement under the Reloan Agreement in approximately equal semiannual installments. The first installments of Principal shall be due five (5) years after the first disbursement, thus giving AFC a five-year grace period on the repayment of Principal. No amendments or material modification shall be made in the Reloan Agreement without the prior written consent of A.I.D.

*Section 3.02. SUBLOANS.* (a) The Borrower and AFC agree that AFC using Reloan funds, shall promptly and effectively make Subloans to Sub-Borrowers in accordance with such terms, rates and procedures as may be specified in Implementation Letters and in the Reloan Agreement.

(b) Except as A.I.D. may otherwise agree in writing, Subloans shall be made on the following conditions:

- (1) Sub-Borrowers shall pay interest on the outstanding Subloan balance and on any due and unpaid interest at a rate not less than eight percent (8%) per annum;
- (2) Each Subloan shall be repayable and all accrued interest thereon shall be payable within a period not to exceed ten (10) years from the date of first disbursement under the respective Subloan;
- (3) AFC shall permit individual Sub-Borrowers a grace period not to exceed three (3) years during which interest only shall be paid.

*Section 3.03. SUBLOAN POLICY.* With the exception of the specific provisions contained herein and in the Reloan Agreement, the Borrower shall take steps to assure that AFC shall, and AFC agrees to, make Subloans in accordance with all statutes, charters, interest rate structures, rules, regulations, policies and procedures

("standards") that are approved by the Borrower. Further, the Borrower shall take steps to assure that AFC shall, and AFC agrees to, not apply new standards in any Subloan Agreement without the written consent of the Borrower.

Upon the giving of such notice, this Agreement, or that portion thereof so affected, and all

*Section 5.01.* EXECUTION OF THE PROJECT. AFC, with respect to Project Part A, and the Borrower shall carry out the Project with due diligence and efficiency and in conformity with sound financial and administrative practices. It is the understanding of the Parties hereto that Borrower bears the primary responsibility for fulfilling the representations, warranties and covenants herein, despite the fact that in regard to Project Part A, AFC and the Sub-Borrowers may be in a direct position to effect the performance of such undertakings. Accordingly, the Borrower agrees to take such steps as may be reasonable, necessary and proper to insure the due and faithful performance of such undertakings by AFC and Sub-Borrowers. Upon completion of the Project, or at such other time as goods financed under the Loan can no longer usefully be employed for the Project, the Borrower may use or dispose of such goods in such a manner as A.I.D. may agree to in writing prior to such use or disposition.

(b) Except as A.I.D. may otherwise agree in writing, no goods or services financed under the Loan shall be used to promote or assist any foreign-aid project or activity associated with or financed by any country not included in code 935 of the A.I.D. - (e) The consolidated financial report for AFC as of March 31, 1974, and the related revenue and expenditure statement for the year then ended (copies of which will be furnished to A.I.D.) correctly sets forth the financial condition of AFC as of such date and the results of its operations for such year, and since the date of the said balance sheet there has been no materially adverse change in the financial condition of AFC.

*Section 5.16. AFC ACTIVITIES.* In regard to Project Part A, AFC agrees:

- (a) To use its best efforts to abstain from buying cattle for resale to Sub-Borrowers or acting as agent or broker in cattle purchases by Sub-Borrowers; provided, however, in regard to proposed transactions in which AFC considers it necessary to buy cattle or to act as agent or broker, AFC shall publicly and widely advertise its cattle requirements, if A.I.D., after consultation with AFC, so requires;

construction contracts financed under the Loan shall be subject to requirements with respect to third-country nationals prescribed in Implementation Letters.

*Section 6.09. SHIPPING AND INSURANCE.* (a) Goods financed under the Loan shall be transported to Kenya on flag carriers of any country included in code 935 of the A.I.D. Geographic Code Book as in effect at the time of shipment.

(d) If, in connection with the placement of marine insurance on shipments financed under the United States legislation authorizing assistance to other nations, the Government of Kenya, by statute, decree, rule or regulation, favors any marine insurance company of any other country over any marine insurance company authorized to do business in any State of the United States of America, goods procured from the United States and financed under the Loan shall during the continuance of such discrimination be insured against marine risk in the United States of America with a company or companies authorized to do a marine insurance business in any State of the United States of America.

Such insurance shall be issued upon terms consistent with sound commercial practice and cover the full value of the goods, and the proceeds thereof shall be payable in United States dollars or in any other freely convertible currency. Any indemnification received by the Borrower under such insurance shall be used to replace or repair any material damage or any loss of the goods insured or shall be used to reimburse Borrower for the replacement or repair of such goods. UNITED STATES GOVERNMENT-OWNED EXCESS PROPERTY.* Where practicable, Borrower shall utilize, with respect to goods financed under the Loan to which the Borrower takes title at the time of procurement, such United States Government-owned excess property as may be consistent with the requirements of the

Project and as may be available within a reasonable period of time. The Borrower shall seek assistance from A.I.D., and A.I.D. will assist the Borrower in ascertaining the availability of and in obtaining such excess property. A.I.D. will make arrangements for any necessary inspection of such property by the Borrower or its representative. The costs of inspection and of acquisition, and all charges incident to the transfer to the Borrower of such Excess Property, may be financed under the Loan. Prior to the procurement of any goods, other than excess property, financed under the Loan and after having sought such A.I.D. assistance, the Borrower shall advise A.I.D. in writing, on the basis of information then available to it, either that such goods cannot be made available from United States Government-owned excess property on a timely basis or that the goods that can be made available are not technically suitable for use in the Project.

*Section 6.12. INFORMATION AND MARKING.* The Borrower shall give publicity to the Loan and the Project as a program of United States' aid, identify the Project site, and mark goods financed under the Loan, as prescribed in Implementation Letters.

#### *Article VII. DISBURSEMENTS*

*Section 7.01. DISBURSEMENT FOR UNITED STATES DOLLAR COSTS — LETTERS OF COMMITMENT TO UNITED STATES' BANKS.* Upon satisfaction of conditions precedent, the Borrower may, from time to time, request A.I.D. to issue Letters of Commitment for specified amounts to one or more United States' banks satisfactory to A.I.D. committing A.I.D. to reimburse such bank or banks for payments made by them to contractors or suppliers, through the use of Letters of Credit or otherwise, for dollar costs of goods and services procured for the Project in accordance with the terms and conditions of this Agreement. Payment by a bank to a contractor or supplier will be made by the bank upon presentation of such supporting documentation as A.I.D. may prescribe in Letters of Commitment and Implementation Letters.

Banking charges incurred in connection with Letters of Commitment and Letters of Credit shall be for the account of the Borrower and may be financed under the Loan.

*Section 7.02. DISBURSEMENT FOR LOCAL CURRENCY COSTS.* Upon satisfaction of conditions precedent, the Borrower may, from time to time, request disbursement by A.I.D. of local currency for local currency costs of goods and services procured for the Project in accordance with the terms and conditions of this Agreement by submitting to A.I.D. such supporting documentation as A.I.D. may prescribe in Implementation Letters. A.I.D., at its option, may make such disbursements from Kenya currency owned by the U.S. Government or obtained by A.I.D. with United States dollars.

The United States dollar equivalent of the local currency made available hereunder will be the amount of United States dollars required by A.I.D. to obtain Kenya currency if purchased; or, if otherwise obtained, the dollar equivalent of the funds disbursed, on the date of disbursement, using the most favorable exchange rate to the dollar then lawfully existing in Kenya.

*Section 7.03. OTHER FORMS OF DISBURSEMENT.* Disbursements of the Loan may also be made through such other means as the Borrower and A.I.D. may agree to in writing.

*Section 7.04. DATE OF DISBURSEMENT.* Disbursements by A.I.D. shall be deemed to occur (a) in the case of disbursements pursuant to section 7.01, on the date on which A.I.D. makes a disbursement to the Borrower, to its designee, or to a banking institution pursuant to a Letter of Commitment, and (b) in the case of disbursements pursuant to section 7.02, on the date on which A.I.D. disburses the local currency to the Borrower or its designee.

*Section 7.05. TERMINAL DATES FOR COMMITMENT AND DISBURSEMENT.* (a) Except as A.I.D. may otherwise agree in writing, in connection with Project Part A no disbursement shall be made against documentation received by A.I.D. or its designee after September 30, 1978 ("Terminal Date for Disbursement").

(b) Except as A.I.D. may otherwise agree in writing, no Letter of Commitment or other commitment document which may be called for by another form of disbursement under section 7.03 shall be issued in response to requests received by A.I.D. in connection with Project Part C after March 31, 1979, and in connection with Project Part F (iii) after September 30, 1976, and no disbursement shall be made against documentation received by A.I.D. or any bank described in section 7.01 in connection with Project Part C after September 30, 1979 ("Terminal Date for Disbursement"), and in connection with Project Part F (iii) after March 31, 1977 ("Terminal Date for Disbursement").

(c) If funds remain available under the Loan for any part of the Project after the applicable terminal date for disbursement as specified above, then A.I.D., at its option, may at any time or times after the respective terminal dates for disbursement reduce the Loan by all or any portion of such funds for which documentation for the disbursement thereof has not been received on or before the applicable terminal date for disbursement.

### *Article VIII. CANCELLATION AND SUSPENSION*

*Section 8.01. CANCELLATION BY THE BORROWER.* The Borrower may, with the prior written consent of A.I.D., by written notice to A.I.D., cancel any part of the Loan (i) which, prior to the giving of such notice, A.I.D. has not disbursed or committed itself to disburse or (ii) which has not then been utilized through the issuance of irrevocable Letters of Credit or through bank payments made other than under irrevocable Letters of Credit.

*Section 8.02. EVENTS OF DEFAULT; ACCELERATION.* If any one or more of the following events ("Events of Default") shall occur:

- (a) The Borrower shall have failed to pay when due any interest or installment of Principal required under this Agreement;
- (b) The Borrower, or AFC in regard to Project Part A, shall have failed to comply with any provision of the Reloan Agreement or of this Agreement, including, but without limitation, the obligation to carry out the Project with due diligence and efficiency;
- (c) The Borrower shall have failed to pay when due any interest or any installment of Principal or any other payment required under any other loan agreement, any guaranty agreement, or any other agreement between the Borrower or any of its agencies and A.I.D., or any of its predecessor agencies;

then A.I.D. may, at its option, give to the Borrower notice that all or any part of the unpaid Principal shall be due and payable sixty (60) days thereafter and, unless the event of default is cured within such sixty (60) days:

- (i) Such unpaid Principal and any accrued interest hereunder shall be due and payable immediately; and
- (ii) The amount of any further disbursements made under then outstanding irrevocable Letters of Credit or otherwise shall become due and payable as soon as made.

*Section 8.03. SUSPENSION OF DISBURSEMENT.* In the event that at any time:

- (a) An event of default has occurred;
- (b) An event occurs that A.I.D. determines to be an extraordinary situation that makes it improbable either that the purpose of the Loan will be attained or that the Borrower will be able to perform its obligations under this Agreement or that AFC will be able to perform its obligations under the Reloan Agreement and/or this Agreement; or
- (c) Any disbursement by A.I.D. would be in violation of the legislation governing A.I.D.;
- (d) The Borrower shall have failed to pay when due any interest or any installment of Principal or any other payment required under any other loan agreement, any guaranty agreement, or any other agreement between the Borrower or any of its agencies and the Government of the United States or any of its agencies;

then A.I.D. may, at its option:

- (i) Suspend or cancel outstanding commitment documents to the extent that they have not been utilized through the issuance of irrevocable Letters of Credit, in which event A.I.D. shall give notice to the Borrower promptly thereafter;
- (ii) Decline to make disbursements other than under outstanding commitment documents;
- (iii) Decline to issue additional commitment documents;
- (iv) At A.I.D.'s expense, direct that title to goods financed under the Loan shall be transferred to A.I.D. if the goods are from a source outside Kenya, are in a deliverable state and have not been offloaded in ports of entry in Kenya; any disbursement made or to be made under the Loan with respect to such transferred goods shall be deducted from Principal.

*Section 8.04. CANCELLATION BY A.I.D.* Following any suspension of disbursements pursuant to section 8.03, if the cause or causes for such suspension of disbursements shall not have been eliminated or corrected within sixty (60) days from the date of such suspension, A.I.D. may, at its option, at any time or times thereafter, cancel all or any part of the Loan that is not then either disbursed or subject to irrevocable Letters of Credit.

*Section 8.05. CONTINUED EFFECTIVENESS OF AGREEMENT.* Notwithstanding any cancellation, suspension of disbursement, or acceleration of repayment, the provisions of this Agreement shall continue in full force and effect until the payment in full of all Principal and any accrued interest hereunder.

*Section 8.06. REFUNDS.* (a) In the case of any disbursement not supported by valid documentation in accordance with the terms of this Agreement, or of any

disbursement not made or used in accordance with the terms of this Agreement, A.I.D., notwithstanding the availability or exercise of any of the other remedies provided for under this Agreement, may require the Borrower to refund such amount in United States dollars to A.I.D. within thirty (30) days after receipt of a request therefor. However, in the event that such disbursement was originally made in local currency and if A.I.D. determines that the amount of such refund can be used to pay the local currency costs of other goods and services approved for financing under the Loan, A.I.D. will accept such refund in local currency. Refunds under this section shall be made available first for the cost of goods and services procured for the Project hereunder, to the extent justified; the remainder, if any, shall be applied to the installments of Principal in the inverse order of their maturity and the amount of the Loan shall be reduced by the amount of such remainder. Notwithstanding any other provision in this Agreement, A.I.D.'s right to require a refund with respect to any disbursement under the Loan shall continue for five years following the date of such disbursement.

(b) In the event that A.I.D. receives a refund from any contractor, supplier, or banking institution, or from any other third party connected with the Loan, with respect to goods or services financed under the Loan, and such refund relates to an unreasonable price for goods or services, or to goods that did not conform to specifications, or to services that were inadequate, A.I.D. shall first make such refund available for the cost of goods and services procured for the Project hereunder, to the extent justified, the remainder to be applied to the installments of Principal in the inverse order of their maturity and the amount of the Loan will be reduced by the amount of such remainder.

*Section 8.07. EXPENSES OF COLLECTION.* All reasonable costs incurred by A.I.D., other than salaries of its staff, in connection with the collection of any refund or in connection with amounts due A.I.D. by reason of the occurrence of any of the events specified in section 8.02 may be charged to the Borrower and reimbursed to A.I.D. in such manner as A.I.D. may specify.

*Section 8.08. NONWAIVER OF REMEDIES.* No delay in exercising or omission to exercise any right, power, or remedy accruing to A.I.D. under this Agreement shall be construed as a waiver of any such rights, powers, or remedies.
