6. *Program objectives, use of commodities and conditions of transfer.* The commodities authorized herein are contributed by the United States Government (USG) to the Government of Togo (GOT) to assist in alleviating the shortage of food caused by drought.

A. The commodities herein contributed are for free direct distribution to victims of drought, particularly in the four circumscriptions of Kandé, Mango, Dapango and Tabligbo, unable to purchase food supplies, rate of distribution not to exceed the amount the recipient and his dependents can consume during the period for which the distribution is made.

B. The GOT will pay all storage, internal handling and transportation and distribution costs on the commodities herein provided for direct distribution.

C. The USG will supply the commodities herein provided and pay ocean transport, and independent survey report costs, to designated point of entry in Togo.

D. After the date of the AID/Washington approval of the project but before arrival of the authorized Title II commodities, the GOT may borrow the same or similar commodities from local sources to meet the requirements of the project. Such of the commodities borrowed as are used in accordance with the terms of this transfer authorization may be replaced on an equivalent value basis with the Title II commodities furnished to the project.

E. The GOT agrees to keep the USAID American Embassy, Lomé, fully informed concerning the status of commodity receipts and distributions and will provide complete details, as requested. Representatives of the USG will be permitted to audit and have access to all records pertaining to the use of commodities provided by this transfer authorization. The GOT further agrees to submit a monthly report to the USAID Lomé, no later than ten days following the end of the preceding month to include the following:

- a) Beginning stocks;
- b) Arrivals;
- c) Distributions;
- d) Damaged stocks;
- e) Ending stocks.
