AGREEMENT¹ SUPPLEMENTARY TO THE GENERAL AGREEMENT ON TARIFFS AND TRADE²

The United States of America and the Republic of Finland,

Considering the reciprocal concessions and advantages for the promotion of trade provided for in their respective Schedules annexed to the General Agreement on Tariffs and Trade² (hereinafter referred to as the General Agreement);

Recalling that both the United States and Finland participated in the 1964-67 Trade Conference and that in the Geneva (1967) Protocol to the General Agreement³ resulting therefrom the United States and Finland extend tariff concessions to articles imported from the other;

Recalling, in particular, that the United States agreed to reduce to 3.5% *ad valorem* tariffs on imports of certain papermaking machinery provided for in the Tariff Schedules of the United States (TSUS);

Noting that Finland has been a beneficiary of such tariff reductions and noting further that, as a result of a ruling of the United States Customs Service of March 13, 1978, the benefits to Finland which it was contemplated would result from such tariff reductions have been substantially reduced;

Noting that the governments of the United States and Finland have entered into negotiations with a view to the adjustment of the matter;

Desiring to restore the contemplated benefits to Finland and thereby promote the foreign trade of both the United States and Finland;

Agree as follows:

The United States of America shall apply to the products described in the attached schedule, entered, or withdrawn from warehouse, on or after March 13, 1978, treatment no less favorable than the treatment indicated therein, as though such treatment were provided for such products in part I of Schedule XX to the General Agreement with the understanding that as soon as practicable such treatment will be specifically included in Schedule XX.

IN WITNESS WHEREOF the undersigned, being duly authorized by their respective Governments, have signed this agreement.

DONE at Washington, this 21st day of July 1978.
