DEPARTMENT OF STATE
WASHINGTON

14 May 1979

Excellency:

I have the honor to refer to the discussions which have taken place between representatives of our two Governments in connection with the establishment of deepwater ports off the coast of the United States and the jurisdictional requirements of the United States Deepwater Port Act of 1974, and to confirm that the two Governments are in agreement that vessels registered in the United Kingdom, the West Indies Associated States or its other territories or flying the flag of the United Kingdom and the personnel on board such vessels utilizing the Louisiana Offshore Oil Port (LOOP, Inc.), a deepwater port facility established under the Deepwater Port Act of 1974, for the purposes stated therein shall, whenever they may be present within the safety zone of such deepwater port, be subject to the jurisdiction of the United States and the United Kingdom on the same basis as when in coastal ports of the United States.

It is the understanding of the Government of the United States and of the Government of the United Kingdom that this agreement shall not apply to vessels registered in the United Kingdom, the West Indies Associated States or its other territories or flying the flag of the United Kingdom merely passing through the safety zone of the Louisiana Offshore Oil Port without calling at or otherwise utilizing the port.

If the foregoing is acceptable to the Government of the United Kingdom, I have the honor to propose that this note, together with your reply thereto, shall constitute an agreement between our two Governments, to enter into force upon the date of your reply to that effect, and to remain in force until terminated by six months' written notice by either party to the other.

Accept, Excellency, the renewed assurances of my highest consideration.

For the Secretary of State:

RICHARD K. BANK

¹ Came into force on 25 May 1979, the date of the note in reply, in accordance with the provisions of the said notes.
