ASSISTANCE**

The Government of the Federal Republic of Germany and the Government of the Republic of Upper Volta,

In the spirit of the friendly relations existing between the Federal Republic of Germany and the Republic of Upper Volta,

Desiring to strengthen and enhance these friendly relations by fruitful co-operation in the field of development assistance,

Aware that the maintenance of these relations constitutes the basis for the present Agreement,

Intending to promote economic and social development in the Republic of Upper Volta,

Have agreed as follows:

Article 1. The Government of the Federal Republic of Germany shall enable the Government of the Republic of Upper Volta to raise an additional loan up to a total of DM 3.05 million (three million fifty thousand Deutsche Mark) with the Kreditanstalt für Wiederaufbau, Frankfurt-on-Main, for the “Water supply for nine communes” project.

Article 2. Utilization of this loan as well as the terms and conditions on which they are granted shall be governed by the provisions of the agreements to be concluded between the borrower and the Kreditanstalt für Wiederaufbau; such agreements shall be subject to the legal provisions applicable in the Federal Republic of Germany.

Article 3. The Government of the Republic of Upper Volta shall exempt the Kreditanstalt für Wiederaufbau from all taxes and other fiscal charges levied in Upper Volta at the time of the conclusion or execution of the agreements referred to in article 2.

Article 4. The Government of the Republic of Upper Volta shall allow passengers and suppliers free choice of transport enterprises for such transportation of passengers and goods by sea and air as results from the granting of the loan, refrain from taking any measures that might exclude or impede the participation, on a footing of equality, of transport enterprises having their principal place of business in the German area of application of this Agreement, and grant the relevant permits that may be necessary for the participation of such transport enterprises.

Article 5. Supplies and services for projects financed from the loan shall be subject to international public tender, unless otherwise provided in individual cases.

¹ Came into force on 16 June 1977 by signature, in accordance with article 8.

Article 6. The Government of the Federal Republic of Germany attaches particular importance, with regard to supplies and services resulting from the granting of the loan, to preference being given to the products of the industry of *Land Berlin*.

Article 7. With the exception of those provisions of article 4 which refer to air transport, this Agreement shall also apply to *Land Berlin*, provided that the Government of the Federal Republic of Germany does not make a contrary declaration to the Government of Upper Volta within three months after the date of entry into force of this Agreement.

Article 8. This Agreement shall enter into force on the date of its signature.
