### THE MAROUA DECLARATION<sup>1</sup>

During the meeting held at Maroua from May 30th to June 1st 1975, the two Heads of State of Cameroon and Nigeria agreed to extend the delineation of the maritime boundary between the two Countries from Point 12 to Point G on the Admirally Chart No. 3433 annexed<sup>2</sup> to this Declaration.

The delineated boundary adopted by the two Heads of State is defined as follows:

From Point 12 (Longitude  $08^{\circ}24'38''$  E and Latitude  $04^{\circ}31'26''$  N) situated and the end of the line of the maritime boundary adopted by the two Heads of State on April 4, 1971, the boundary line runs due West along a line parallel to and three miles from the straight line joining Tom Shot Point and Sandy Point up to a Point A Longitude  $08^{\circ}24'24''$  E and Latitude  $04^{\circ}31'30''$  N. Thence from Point A along a straight line to Point A1 Longitude  $08^{\circ}24'24''$  and Latitude  $04^{\circ}31'20''$  N which is one kilometre East of Buoy No. 3. The maritime boundary then continues along the same straight line to a Point B Longitude  $08^{\circ}26'32''$  Latitude  $04^{\circ}24'10''$  N one kilometre East of Buoy No. 2. Then from Point B the maritime boundary continues due South through Point C Longitude  $08^{\circ}23'42''$  E Latitude  $04^{\circ}23'28''$  N one kilometre East of Buoy No. 1, to a Point D Longitude  $08^{\circ}22'41''$  E Latitude  $04^{\circ}20'00''$  N where it intersects Latitude  $04^{\circ}20'$ .

From Point D the maritime boundary runs in a South-Westerly direction to a Point E Longitude  $08^{\circ}22'17''$  E Latitude  $04^{\circ}19'32''$  N which is 550 metres from the straight line joining the Fairway Buoy and Buoy No 1. From Point E the maritime boundary runs in a South-Easterly direction to a Point F Longitude  $08^{\circ}22'19''$  E Latitude  $04^{\circ}18'46''$  N one kilometre East of Fairway Buoy.

Then from Point E Longitude  $08^{\circ}22'19''$  E Latitude  $04^{\circ}18'46''$  N the maritime boundary runs Southerly parallel to the Meridian  $08^{\circ}25'00''$  to Point G Longitude  $08^{\circ}22'19''$  E Latitude  $04^{\circ}17'00''$  N as shown on the Admiralty Chart No. 3433.

The two Heads of State further re-affirmed their commitment to freedom and security of navigation in the Calabar/Cross River channel of ships of the two countries as defined by International Treaties and Conventions.

DONE at Maroua this 1st day of June, 1975.
