Excellency:

I have the honour to refer to the Agreement on Tariff Matters between the United States of America and the Hungarian People's Republic.

With respect to that Agreement, the Government of the United States of America acknowledges that the parties may need to adjust their schedules of concessions as the Tokyo Round of Multilateral Trade Negotiations draws to a conclusion. Excellenciás Uram!

Van szerencsém hivatkozni az Amerikai Egyesült Államok Kormánya és a Magyar Népköztársaság Kormánya között a vámügyekre vonatkozóan kötött Megállapodásra.

Az említett Megállapodással kapcsolatban az amerikai Egyesült Államok Kormánya elismeri, hogy a Felek számára szükségessé válhat, hogy koncessziós listáikat kiigazítsák, ahogy a sokoldalú kereskedelmi tárgyalások tokiói fordulója befejezéséhez közeledik. Ezek a kiigazítások a jelen Megállapodás hatálybalépését megelőzően eszközölhetők. Az Amerikai Egyesült Államok Kormánya kifejezésre óhajtja juttatni a jelen Megállapodás Feleinek kölcsönös egyetértését, hogy ahol az helyénvaló, bármely ilyen kiigazítást megfelelő módosítások fognak ellensúlyozni.

Fogadja excellenciás Uram legőszintébb nagybecsülésem ismételt kifejezését.

Excellency:

I have the honour to refer to the Agreement on Tariff Matters between the United States of America and the Hungarian People's Republic.

Our Governments have agreed to assess the overall balance provided for in that Agreement, prior to its entry into force, at the conclusion of the Tokyo Round of Multilateral Trade Negotiations (MTN). At the time of that assessment, the Government of the United States will, in the event that it offers concessions in the MTN to countries that are principal suppliers of item number 107.35 of the United States Tariff Schedules (pork, prepared or preserved, boned, cooked, and canned) or other products, extend the same concessions to imports from the Hungarian People's Republic. The Government of the United States of America recognizes that if it is not possible to make additional concessions, the Government of the Hungarian People's Republic may withdraw its proposed concessions on phosphated mineral or chemical fertilizer.

Accept, Excellency, renewed assurances of my highest esteem.

Excellenciás Uram!

Van szerencsém utalni az Amerikai Egyesült Államok Kormánya és a Magyar Népköztársaság Kormánya közötti vámügyekre vonatkozó Megállapodásra.

Kormányaink egyetértettek abban, hogy az említett Megállapodásban szabályozott általános egyensúlyt a Megállapodás hatálybalépése előtt, a sokoldalú kereskedelmi tárgyalások (MTN) tokiói fordulójának befejeztekor fogják megitélni. E megítélés időpontjában az Amerikai Egyesült Államok Kormánya, abban az esetben, ha az MTN-ben koncessziókat ajánl azoknak, az országoknak, amelyek az Egyesült Államok vámlistájának 107.35 cikkszama (disznó, elkészítve, vagy tartósítva, csontos, főzött és dobozolt), vagy más termékek fő szállítóit, ugyanezeket a koncessziókat ki fogja terjeszteni a Magyar Népköztársaságból származó importokra. Az Amerikai Egyesült Államok Kormánya elismeri, hogy ha nem lehetséges további koncessziók tétele, a Magyar Népköztársaság Kormánya visszavonhatja az ásványi vagy vegyi foszfor trágyázószerre vonatkozóan javasolt koncesszióját.

Fogadja excellenciás Uram legőszintébb nagyrabecsülésem ismételt kifejezését.

Hungarian conditional offers on products of interest to the United States

With reference to the Hungarian industrial tariff offer (BTN 25-99), contained in BS/eni/136/78 of May 31, 1978, attached hereto is the list of products of market interest to the United States whose Hungarian tariff offer implementation is conditioned on the following:

- 1) The European Community eliminates its discriminatory quantitative restrictions; or
- 2) The European Community's share of Hungary's import market falls below 50 percent.

It is expected that, for any product listed on the attached schedule, at such time as either condition holds, Hungary will implement the indicated offer at the rate that would have been effective had the offer been staged according to the general staging formula for tariff cuts.

Nagyméltóságú Uram!

Van szerencsém hivatkozni az Amerikai Egyesült Államok Kormánya és a Magyar Népköztársaság Kormánya között 1978. november 18-án aláírt Megállapodásra a vámügyekről.

Ugyancsak hivatkozom William B. Kelly helyettes kereskedelmi külön megbízott 1979. november 26-i levelére, amellyel megküldte az Egyesült Államok módosított vámengedményi listáját, amely az 1. sz. Mellékletként csatolandó a Megállapodáshoz; valamint az Ön 1979. december 10-i levelére, amellyel megküldte a Magyar Népköztársaság módosított vámengedményi listáját, amely 11. sz. Mellékletként csatolandó a Megállapodáshoz.

Kormányaink megállapították, hogy az engedményekben kielégítő általános egyensúlyt értek el. A két kormány megegyezett továbbá abban, hogy az Amerikai Egyesült Államok és a Magyar Népköztársaság közötti Megállapodás a vámügyekről 1980. január 1-én lép hatályba.

Fogadja Nagyméltóságod legmélyebb nagyrabecsülésem kifejezését.
