LETTER AND RELATED LETTER CONSTITUTING AN AGREEMENT¹ BETWEEN THE UNITED STATES OF AMERICA AND FINLAND CONCERNING IMPORT RESTRICTIONS, REACHED ON THE TOKYO ROUND OF THE MULTILATERAL TRADE NEGOTIATIONS

*The Ambassador to the Permanent Mission of Finland in Geneva
to the American Deputy Special Representative for Trade Negotiations*

PERMANENT MISSION OF FINLAND IN GENEVA

Geneva, April 12, 1979

Sir,

I have the honour to confirm that the Government of Finland intends to disinvoke its recourse to the provisions of article XII of the General Agreement on Tariffs and Trade as justification for the application of the remaining import restrictions in Finland. In this connection, Finland will consider the liberalization of certain items included in the present list of products under licensing. In that process, Finland will pay particular attention to the priorities expressed by the United States Delegation to the Multilateral Trade Negotiations in the context of the bilateral negotiations held between Finland and the United States.

Sincerely yours,

[Signed]

PAAVO KAARLEHTO
Ambassador

H.E. Mr. Alonzo McDonald
Ambassador, Head of Delegation
United States Delegation to the MTN
