- (e) Concession rights including those for the exploration and exploitation of natural resources.

(2) The term “returns” means the amounts yielded by an investment, in particular, profit, interest, capital gains, dividends, royalties and fees.

(3) The term “nationals” means:

- (a) In relation to Japan, physical persons possessing the nationality of Japan; and

Article 2. 1. Each Contracting Party shall, subject to its rights to exercise powers in accordance with the applicable laws and regulations, encourage and create favourable conditions for nationals and companies of the other Contracting Party to make investment in its territory, and, subject to the same rights, shall admit such investment.

¹ Came into force on 7 August 1982, i.e., one month after the date of the exchange of the instruments of ratification, which took place at Tokyo on 7 July 1982, in accordance with article 16 (1) and (2).

2. Nationals and companies of either Contracting Party shall within the territory of the other Contracting Party be accorded treatment no less favourable than that accorded to nationals and companies of any third country in regard to the matters relating to the admission of investment.

3. Notwithstanding the provisions of paragraph 2 of the present Article, either Contracting Party may require that the treatment with respect to rights on immovable property shall be accorded on the basis of reciprocity.

Article 3. 1. Neither Contracting Party shall within its territory subject investments and returns of nationals and companies of the other Contracting Party to treatment less favourable than that accorded to investments and returns of nationals and companies of the former Contracting Party or of nationals and companies of any third country.

2. Nationals and companies of either Contracting Party shall within the territory of the other Contracting Party be accorded treatment no less favourable than that accorded to nationals and companies of such other Contracting Party or to nationals and companies of any third country in all matters relating to their business activities in connection with their investment.

3. Notwithstanding the provisions of paragraphs 1 and 2 of the present Article, either Contracting Party may:

Article 5. 1. Investments and returns of nationals and companies of either Contracting Party shall receive the most constant protection and security within the territory of the other Contracting Party.

2. Investments and returns of nationals and companies of either Contracting Party shall not be subjected to expropriation, nationalization, restriction or any other measure the effects of which would be tantamount to expropriation or nationalization, within the territory of the other Contracting Party unless such

measures are taken for a public purpose and under due process of law; are not discriminatory; and, are taken against prompt, adequate and effective compensation.

3. The compensation referred to in the provisions of paragraph 2 of the present Article shall represent the equivalent of the normal market value of the investments and returns affected at the time when expropriation, nationalization, restriction or any other comparable measure was publicly announced or when such measure was taken, whichever is the earlier, without reduction in that value due to the prospect of the very seizure which ultimately occurs. Such compensation shall be paid without delay and shall carry an appropriate interest taking into account the length of time until the time of payment. It shall be effectively realizable and freely transferable at the exchange rate prevailing on the date used for the determination of value. Adequate provision shall have been made in an appropriate manner at or prior to the time of expropriation, nationalization, restriction or any other comparable measure for the determination and payment thereof.

- (2) Interests held through other companies in which such nationals and companies have direct interests.

5. Nationals and companies of either Contracting Party shall within the territory of the other Contracting Party be accorded treatment no less favourable than that accorded to nationals and companies of such other Contracting Party or to nationals and companies of any third country with respect to the matters set forth in the provisions of paragraphs 1 to 4 of the present Article.

Article 6. Nationals and companies of either Contracting Party who suffer within the territory of the other Contracting Party damages in relation to their investments, returns, or activities in connection with their investment, owing to the outbreak of hostilities or a state of national emergency, shall be accorded treatment no less favourable than that accorded to nationals and companies of such other Contracting Party or to nationals and companies of any third country, as regards restitution, compensation or other valuable consideration. Payments made under the present Article shall be effectively realizable and freely transferable.

Article 7. If either Contracting Party makes payment to any of its nationals or companies under a guarantee it has assumed in respect of investments and returns in the territory of the other Contracting Party, such other Contracting Party shall recognize the transfer to the former Contracting Party of any right or claim of such national or company in such investments and returns on account of which such payment is made and the subrogation of the former Contracting Party to any claim or cause of action of such national or company arising in connection therewith. As regards the transfer of payment to be made to that former Contracting Party by virtue of such transfer of right or claim, the provisions of paragraphs 2 to 5 of Article 5, Article 6 and Article 8 shall apply *mutatis mutandis*.

Article 8. 1. Nationals and companies of either Contracting Party shall be guaranteed by the other Contracting Party freedom of payments, remittances, and transfers of financial instruments or funds including value of liquidation of an in-

vestment between the territories of the two Contracting Parties as well as between the territories of such other Contracting Party and of any third country.

2. Notwithstanding the provisions of paragraph 1 of the present Article, either Contracting Party may, in exceptional financial or economic circumstances, impose such exchange restrictions in accordance with its laws and in conformity with the Articles of Agreement of the International Monetary Fund so long as such Contracting Party is a party to the said Articles of Agreement.

Each Contracting Party shall, at the request of such national or company of the other Contracting Party, consent to submit any legal dispute that may arise out of such investment to conciliation or arbitration as stated above. Any company of the former Contracting Party which was or is controlled by nationals and companies of the other Contracting Party prior to or on the date on which the parties to such a dispute consent to submit the dispute to conciliation or arbitration shall in accordance with the provisions of Article 25 (2) (b) of the Convention be treated for the purposes of the Convention as a company of such other Contracting Party. In the event of disagreement as to whether conciliation or arbitration is the more appropriate procedure the national or company affected shall have the right to choose.

Article 13. 1. Each Contracting Party shall accord sympathetic consideration to, and shall afford adequate opportunity for consultation regarding, such representations as the other Contracting Party may make with respect to any matter affecting the operation of the present Agreement.

2. Any dispute between the Contracting Parties as to the interpretation or application of the present Agreement, not satisfactorily adjusted by diplomacy, shall be referred for decision to an arbitration board. Such arbitration board shall be composed of three arbitrators, with each Contracting Party appointing one arbitrator within a period of thirty days from the date of receipt by either Contracting Party from the other Contracting Party of a note requesting arbitration of the dispute, and the third arbitrator to be agreed upon by the two arbitrators so chosen within a further period of thirty days, provided that the third arbitrator shall not be a national of either Contracting Party.

3. If the third arbitrator is not agreed upon between the arbitrators appointed by each Contracting Party within the period referred to in the provisions of paragraph 2 of the present Article, the Contracting Parties shall request the President of the International Court of Justice to appoint the third arbitrator who shall not be a national of either Contracting Party.

4. The arbitration board shall reach its decisions by a majority of votes. Such decisions shall be final and binding.

Article 15. 1. Nothing in the present Agreement shall be construed so as to grant any right or impose any obligation in respect of copyright.

(2) Without prejudice to the provisions of the foregoing sub-paragraph and notwithstanding the provisions of paragraph 1 of Article 3 of the present Agreement, the treatment accorded by either Contracting Party in respect of industrial property right to nationals and companies of the other Contracting Party may be limited to treatment no less favourable than that accorded to nationals and companies of the former Contracting Party.

3. Either Contracting Party may, by giving one year's advance notice in writing to the other Contracting Party, terminate the present Agreement at the end of the initial ten-year period or at the end of each subsequent ten-year period.
