INITIAL PROCEDURE¹ FOR RESOLVING BOUNDARY QUESTIONS

Egypt and Israel agree on the following procedure for resolving the remaining technical questions concerning the international boundary, in conformity with all the relevant provisions of the Treaty of Peace,² which they have been unable to resolve through negotiations. Egypt and Israel agree that these questions shall be submitted to an agreed procedure which will achieve a final and complete resolution, in conformity with Article VII of the Treaty of Peace. Pending conclusion of the agreement, each party agrees to move behind the lines indicated by the other. The parties agree to request the Multinational Force and Observers to maintain security in these areas. In the interim period, activities which have been conducted in these areas shall continue. No new construction projects will be initiated in these areas. Meetings will be held between Egypt and Israel to establish the arrangements which will apply in the areas in question, pending a final determination of the boundary demarcation questions. Representatives of the United States Government will participate in the negotiations concerning the procedural arrangements which will lead to the resolution of matters of the demarcation of the International Boundary between Mandated Palestine and Egypt in accordance with the Treaty of Peace, if requested to do so by the parties. The temporary arrangements hereby or subsequently established and the activities conducted pursuant thereto shall not be deemed to affect the position of either party, or prejudice the final outcome.
