EXCHANGE OF NOTES CONSTITUTING AN AGREEMENT¹ ON
THE ESTABLISHMENT OF A JOINT COMMISSION FOR ECO-
NOMIC AND TECHNICAL CO-OPERATION BETWEEN
SWEDEN AND IRAN

I

Excellency,

I have the honour to refer to the Agreed Minutes signed in Teheran on 20 April, 1974, whereby the Ministers for Foreign Affairs of Sweden and Iran declared the intention of their respective Governments to encourage, support and facilitate, to the extent possible, the development and expansion of the co-operation between the two countries in the commercial, industrial and technical fields including nuclear energy, petroleum and petroleum products.

In order to promote the aims of these agreed minutes, I have the honour to propose the establishment of a Joint Commission for Economic and Technical Co-operation. The representatives of the commission shall be designated by the respective Governments.

The commission shall meet at the request of either party alternately in Sweden and Iran.

If the above proposal is agreeable to the Imperial Government of Iran, I have the honour to propose that this note together with Your Excellency's reply to that effect shall constitute an Agreement between the two Governments, which shall enter into force on the date of Your Excellency's reply.

I avail myself of this opportunity to renew to Your Excellency the assurances of my highest consideration.
