AGREEMENT¹ BETWEEN THE GOVERNMENT OF THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND AND THE GOVERNMENT OF THE REPUBLIC OF KOREA ON SCIENTIFIC AND TECHNOLOGICAL CO-OPERATION

The Government of the United Kingdom of Great Britain and Northern Ireland and the Government of the Republic of Korea (hereinafter referred to as the Contracting Parties);

Desiring to strengthen friendly relations and to encourage co-operation in science and technology between the two countries;

Have agreed as follows:

Article I

The Contracting Parties shall encourage and develop co-operation in the fields of science and technology between the two countries on the basis of equality and mutual benefit.

Article II

Co-operation in science and technology provided under the present Agreement may include, by mutual agreement and on a reciprocal basis, the following forms:

- (a) Exchange of scientific and technological information and data;
- (b) Exchange of visits and study tours by specialised delegations, scientific researchers, trainees, other scientific and technical personnel, as well as graduate students;
- (c) Organisation of bilateral scientific and technical seminars and meetings of mutual interest;
- (d) Joint research on subjects of mutual interest;
- (e) Other forms of scientific and technological co-operation upon which the Contracting Parties may agree.

Article III

The Contracting Parties shall encourage and support the establishment of direct links and co-operation between their institutions of higher education, research organisations, companies and enterprises and, as may be appropriate, the conclusion of separate agreements and contracts.

Article IV

(1) The Contracting Parties shall establish a mixed United Kingdom/Korea Committee for co-operation in science and technology, hereinafter referred to as the Mixed Committee, composed of representatives designated by the Contracting Parties.

(2) The Mixed Committee shall consider proposals for co-operation in science and technology and shall examine new fields for such co-operation. It shall also carry out

¹ Came into force on 14 June 1985 by signature, in accordance with article VII (1).

periodic reviews of progress in co-operation in science and technology between the two countries.

(3) The Mixed Committee shall meet from time to time as necessary by mutual agreement, alternately in the United Kingdom and in the Republic of Korea.

Article V

The financial arrangements involved in the implementation of this Agreement shall be settled separately in the programmes of co-operation to be agreed on, or in agreements and contracts signed by the bodies concerned.

Article VI

In relation to the Government of the United Kingdom the territory of which this Agreement shall apply shall be Great Britain and Northern Ireland.

Article VII

(1) This Agreement shall enter into force on the date of signature and shall remain in force for a period of three years. Unless either Contracting Party terminates the Agreement by giving notice in writing three months before the end of the period of validity of the present Agreement, it shall be automatically extended thereafter for a successive period of one year.

(2) Termination of the present Agreement shall not affect the validity or duration of any project made under the present Agreement.

Article VIII

This Agreement may be amended and supplemented at any time as agreed between the Contracting Parties.

IN WITNESS WHEREOF the undersigned, being duly authorised by their respective Governments, have signed this Agreement.

DONE in duplicate at Seoul on 14 June 1985 in the English and Korean languages, both texts being equally authoritative.
