COMMUNITY-COST CONCERTATION AGREEMENT¹ ON A CONCERTED ACTION PROJECT ON THE USE OF LIGNOCELLULOSE-CONTAINING BY-PRODUCTS AND OTHER PLANT RESIDUES FOR ANIMAL FEEDING (COST PROJECT 84 *bis*)

The European Economic Community, hereinafter referred to as “the Community”,

The signatory States to this Agreement, hereinafter referred to as “the participating non-member States”,

Whereas a research project on single-cell protein production and utilization in animal feeding, implemented by a Memorandum of Understanding signed on 27 March 1980 within the framework of European Co-operation in the field of Scientific and Technical Research (COST) (COST Project 83/84), has yielded very encouraging results;

Whereas by its Decision of 2 April 1984 the Council of the European Communities adopted a Community concerted action project on the use of lignocellulose-containing by-products and other plant residues for animal feeding;

Whereas the Member States of the Community and the participating non-member States, hereinafter referred to as “the States”, intend, subject to the rules and procedures applicable to their national programmes, to carry out the research described in Annex A and are prepared to integrate such research into a process of concertation which they consider will be of mutual benefit;

Whereas the implementation of the research covered by the concerted action project will require a financial contribution of approximately 25 million ECU from the States,

Have agreed as follows:

Article 1. The Community and the participating non-member States, hereinafter referred to as “the Contracting Parties”, shall participate for a period extending until 1 April 1988 in a concerted action project on the use of lignocellulose-containing by-products and other plant residues for animal feeding.

This project shall consist in concertation between the Community concerted action programme and the corresponding programmes of the participating non-member States. Research topics covered by this Agreement are listed in Annex A.

The States shall remain entirely responsible for the research carried out by their national institutions or bodies.

Article 2. Concertation between the Contracting Parties shall be effected through a Community-COST Concertation Committee, hereinafter referred to as “the Committee”.

¹ Came into force on 1 December 1985 in respect of the following State and organization, i.e., the first day of the month following that during which the Community and at least one of the participating non-member States had notified the Secretary-General of the Council of the European Communities of the completion of the procedures necessary under their internal provisions for the implementation of the Agreement, in accordance with article 6 (3):

<i>State or organization</i>	<i>Date of the notification</i>
European Economic Community.....	31 October 1985
Switzerland.....	19 November 1985

The Committee shall draw up its rules of procedure. Its Secretariat will be provided by the Commission of the European Communities, hereinafter referred to as "the Commission".

The terms of reference and the composition of this Committee are defined in Annex B.

Article 3. In order to ensure optimum efficiency in the execution of this concerted action project, a project leader may be appointed by the Commission in agreement with the delegates of the participating non-member States on the Committee.

Article 4. The maximum financial contribution by the Contracting Parties to the co-ordination costs for the period referred to in the first paragraph of Article 1 shall be:

- 650,000 ECU from the Community,
- 65,000 ECU from each participating non-member State.

The ECU is that defined by the Financial Regulation in force applicable to the general budget of the European Communities and by the financial arrangements adopted pursuant thereto.

The rules governing the financing of the Agreement are set out in Annex C.

Article 5. 1. Through the Committee, the States shall exchange regularly all useful information resulting from the execution of the research covered by the concerted action project. They shall also endeavour to provide information on similar research planned or carried out by other bodies. Any information shall be treated as confidential if the State which provides it so requests.

2. After having consulted the Committee, the Commission shall prepare annual progress reports on the basis of the information supplied and shall forward them to the States.

3. At the end of the concertation period, the Commission shall, after having consulted the Committee, forward to the States, a general report on the execution and results of the project. This report shall be published by the Commission not later than six months after it has been forwarded, unless a State objects. In that case the report shall be treated as confidential and shall be forwarded, on the request and with the agreement of the Committee, solely to the institutions and undertakings whose research or production activities justify access to knowledge resulting from the performance of the research covered by the concerted action project.

Article 6. 1. This Agreement shall be open for signature by the Community and by the non-member States which took part in the Ministerial conference held in Brussels on 22 and 23 November 1971.

2. As a condition precedent to its participation in the concerted action project defined in Article 1, each of the Contracting Parties shall, after signing this Agreement, have notified the Secretary-General of the Council of the European Communities not later than 31 December 1985 of the completion of the procedures necessary under its internal provisions for the implementation of this Agreement.

3. For the Contracting Parties which transmit the notification provided for in paragraph 2, this Agreement shall come into force on the first day of the month

following that in which the Community and at least one of the participating non-member States transmitted these notifications.

For those Contracting Parties which transmit the notification after the entry into force of this Agreement, it shall come into force on the first day of the second month following the month in which the notification was transmitted.

Contracting Parties which have not transmitted this notification when this Agreement comes into force shall be able to take part in the work of the Committee without voting rights until 31 December 1985.

4. The Secretary-General of the Council of the European Communities shall inform each of the Contracting Parties of the notifications provided for in paragraph 2 and of the date of entry into force of this Agreement.

Article 7. This Agreement shall apply, on the one hand, to the territories in which the Treaty establishing the European Economic Community¹ is applied and under the conditions laid down in that Treaty and, on the other hand, to the territories of the participating non-member States.

Article 8. This Agreement, drawn up in a single original in the Danish, Dutch, English, French, German, Greek and Italian languages, each text being equally authentic, shall be deposited in the archives of the General Secretariat of the Council of the European Communities which shall transmit a certified copy to each of the Contracting Parties.

Article 1. These provisions lay down the financial rules referred to in Article 4 of the Community-COST Concertation Agreement on a concerted action project on the use of lignocellulose-containing by-products and other plant residues for animal feeding (COST Project 84 *bis*).

Article 2. At the beginning of each financial year, the Commission shall send to each of the participating non-member States a call for funds corresponding to its share of the annual co-ordination costs under the Agreement, calculated in proportion to the maximum amounts laid down in Article 4 of the Agreement.

This contribution shall be expressed both in ECU and the currency of the participating non-member State concerned, the value of the ECU being defined in the Financial Regulation applicable to the general budget of the European Communities and determined on the date of the call for funds.

The total contributions shall cover the travel and subsistence costs of the delegates to the Committee, in addition to the co-ordination costs proper which include meetings, contracts to be concluded with persons or bodies in the participating States with a view to ensuring co-ordination and exchange of research workers between laboratories.

Each participating non-member State shall pay its annual contribution to the co-ordination costs under the Agreement at the beginning of each year, and by 31 March at the latest. Any delay in the payment of the annual contribution shall give rise to the payment of interest by the participating non-member State concerned at a rate equal to the highest discount rate ruling in the States on the due date. The rate shall be increased by 0.25 of a percentage point of each month of delay. The increased rate shall be applied to the entire period of delay.
