DM 2,000,000 (two million Deutsche Mark) shall be subject to the prior approval of the Kreditanstalt für Wiederaufbau. The Government of the Federal Republic of Germany proceeds on the understanding that the Government of the Republic of India will utilize the counterpart rupee funds accruing from the sale of the Deutsche Mark so loaned for development projects.

(4) Loans up to a total of DM 50,000,000 (fifty million Deutsche Mark) shall be made available to Indian financing institutions for the purpose of promoting investment projects of medium-sized private enterprises of the processing industry if, after examination, the projects have been found eligible for promotion. Of this amount,

- (a) The Industrial Credit and Investment Corporation of India Limited (ICICI) shall receive up to DM 25,000,000 (twenty-five million Deutsche Mark), and
- (b) The Industrial Finance Corporation of India (IFCI) shall receive up to DM 25,000,000 (twenty-five million Deutsche Mark).

(5) Loans up to a total of DM 55,000,000 (fifty-five million Deutsche Mark) shall be utilized to meet foreign exchange costs resulting from the purchase of goods and services to cover current civilian requirements, and to meet foreign exchange and local currency costs of transport, insurance and assembly arising in connection with the importation of goods financed under this Agreement. The supplies and services must be such as are covered by the list annexed to this Agreement and for which shipping documents have been drawn up after 25 April 1986 or which have been provided after that date. When utilizing this amount, favourable consideration shall be given to the requirements of enterprises established in India with German financial participation, as well as to holders of German licences, to the extent that such requirements are not to be met within the scope of the measures adopted by the Government of the Republic of India for the liberalization of imports. The Government of the Federal Republic of Germany proceeds on the understanding that the Government of the Republic of India will utilize the counterpart rupee funds accruing from the sale of the Deutsche Mark so loaned for development projects.

(7) This Agreement shall also apply if, at a later date, the Government of the Federal Republic of Germany enables the Government of the Republic of India to obtain from the Kreditanstalt für Wiederaufbau further loans or financial contributions for the preparation of the projects referred to in paragraphs 2 to 4 above or financial contributions for attendant measures required for their implementation and support. Financial contributions for preparatory and attendant measures shall be converted into loans in the event that they are not used for such measures.

(8) The Government of the Federal Republic of Germany will endeavour, on the basis of existing national directives and provided the other conditions for cover are met, to assume guarantees up to a maximum amount of DM 150,000,000 (one hundred and fifty million Deutsche Mark) in respect of that part of the value of an order not financed from loans granted within the scope of financial co-operation and pertaining to export deals for the implementation of the projects referred to in paragraph 2 (c), (d), (e), and (f) above concluded by enterprises having their place of business in the German area of application of this Agreement. The following Articles of this Agreement shall also apply to the loans to be granted outside the scope of financial co-operation, provided that the Kreditanstalt für Wiederaufbau is the lender.

Article 3. (1) The utilization of the amount referred to in Article 1 of this Agreement as well as the terms and conditions on which it is made available shall be governed by the provisions of the agreements to be concluded between the recipients of the loans and the Kreditanstalt für Wiederaufbau, which shall be subject to the laws and regulations applicable in the Federal Republic of Germany.

(2) The sponsors of the projects referred to in Article 2 (2) of this Agreement shall be free to avail themselves of the financing and guarantee facilities provided by the Industrial Development Bank of India. The Government of the Republic of India shall ensure that the said bank has, in each case, sufficient rupee funds available to cover the requirements of such projects.

(3) The Government of the Republic of India, insofar as it is not itself the borrower, shall guarantee to the Kreditanstalt für Wiederaufbau all payments in Deutsche Mark to be made in fulfilment of the borrowers' liabilities under the agreements to be concluded pursuant to paragraph 1 above.

Article 4. The Government of the Republic of India shall exempt the Kreditanstalt für Wiederaufbau from all taxes and other public charges levied in the Republic of India in connection with the conclusion and implementation of the agreements referred to in Article 3 of the present Agreement.

Article 5. The two Governments shall allow passengers and suppliers free choice of transport enterprises for such transportation by sea or air of persons and goods as results from the granting of the loans, abstain from taking any measures that might exclude or impair the participation on equal terms of transport enterprises having their place of business in the area of application of this Agreement, and grant any necessary permits for the participation of such enterprises.

Article 6. With regard to supplies and services resulting from the granting of the loans, the Government of the Federal Republic of Germany attaches particular importance to preferential use being made of the economic potential of Land Berlin.

Article 7. With the exception of those provisions of Article 5 which refer to air transport, this Agreement shall also apply to Land Berlin, provided that the Government of the Federal Republic of Germany does not make a contrary declaration to the Government of the Republic of India within three months of the date of entry into force of this Agreement.

Article 8. (1) The project "Trombay VI" referred to in Article 2 (2) (d) of the Agreement of 4 May 1984¹ concluded between the two Governments shall be partly replaced by the project "Railway heavy duty breakdown cranes and hydraulic rereiling equipment" if, after examination, the project has been found eligible for promotion.

(2) In all other respects the provisions of the Agreement of 4 May 1984, referred to in paragraph 1 above, including the Berlin clause (Article 6), shall continue to apply to the arrangement provided for in paragraph 1 above.

Article 9. This Agreement shall enter into force on the date of signature thereof.
