IMPLEMENTATION AGREEMENT¹ BETWEEN THE UNITED NATIONS AND THE GOVERNMENT OF THE REPUBLIC OF ITALY REGARDING THE USE BY THE UNITED NATIONS OF PREMISES LOCATED UPON THE ITALIEN AIR FORCE BASE IN PISA

WHEREAS, the Government of the Republic of Italy (hereinafter the "Government") and the United Nations (hereinafter "UN") on 23 November 1994 executed a Memorandum of Understanding Regarding the Use by the United Nations of Premises on Military Installations in Italy for the Support of Peace-keeping, Humanitarian and Related Operations² in which are set out the basic terms and conditions under which the Government may make available certain premises to the UN for its use in providing support to peace-keeping, humanitarian and related operations.

WHEREAS, the UN, represented by its Department of Humanitarian Affairs (hereinafter "DHA"), is presently occupying and using, pursuant to arrangements that predate the aforementioned Memorandum of Understanding, certain premises, including the land, buildings, related utilities, facilities, appurtenances or parts thereof located on the Italian Air Force base in Pisa (hereinafter collectively referred to as the "Premises"), a military installation operating under the authority of the Italian Air Force (hereinafter "ItAF").

WHEREAS, the UN is using the Premises as its logistic centre (hereinafter "UN Humanitarian Logistic Centre") for the purpose of providing assistance and support to its humanitarian operations.

WHEREAS, the UN Humanitarian Logistic Centre has the task of gathering, conserving and distributing to areas struck by emergencies relief and survival goods, foodstuffs, and medical supplies for the purpose of contributing to meet the basic needs of victims of emergencies.

WHEREAS, Pisa is the location of the Headquarters of the ItAF's 46th Air Brigade, which will be implementing plans for development and subsequent infrastructural programmes that make it necessary in the near future for the ItAF to reacquire the Premises for its own use.

2. The Parties shall initiate as soon as possible, on a date to be mutually agreed, discussions regarding the relocation of the UN Humanitarian Logistic Centre from the ItAF base in Pisa to premises located on another suitable ItAF base (hereinafter the "relocation premises"), it being further agreed that the aim will be to complete the relocation of the UN Humanitarian Logistic Centre to the relocation premises within two years from the date of signature of this Implementation Agreement. The terms and conditions governing the UN's use and occupation of the relocation premises shall be the subject of a separate Implementation Agreement, as envisaged in Article IV of the aforementioned Memorandum of Understanding.
