AGREEMENT
BETWEEN NEW ZEALAND
AND THE EUROPEAN UNION
ESTABLISHING A FRAMEWORK FOR THE PARTICIPATION OF
NEW ZEALAND
IN EUROPEAN UNION CRISIS MANAGEMENT OPERATIONS

NEW ZEALAND,

of the one part, and

THE EUROPEAN UNION (EU),

of the other part,

hereinafter referred to as the "Parties",

WHEREAS:

1. The European Union may decide to take action in the field of crisis management.
2. The European Union will decide whether third States will be invited to participate in an EU crisis management operation. New Zealand may accept the invitation by the European Union and offer its contribution. In such case, the European Union will decide on the acceptance of the proposed contribution of New Zealand.

3. Conditions regarding the participation of New Zealand in EU crisis management operations should be laid down in an Agreement establishing a framework for such possible future participation, rather than defining these conditions on a case-by-case basis for each operation concerned.
4. Such an Agreement should be without prejudice to the decision-making autonomy of the European Union, and should not prejudice the case-by-case nature of the decisions of New Zealand to participate in an EU crisis management operation.
5. Such an Agreement should only address EU crisis management operations and should be without prejudice to any existing agreements regulating the participation of New Zealand in an EU crisis management operation that has been already deployed,

HAVE AGREED AS FOLLOWS:

SECTION 1

GENERAL PROVISIONS

ARTICLE 1

Decisions relating to the participation

1. Following the decision of the European Union to invite New Zealand to participate in an EU crisis management operation, and once New Zealand has decided to participate, New Zealand shall provide information on its proposed contribution to the European Union.
2. The European Union shall provide New Zealand with an early indication of the likely contribution to the common costs of the operation as soon as possible with a view to assisting New Zealand in the formulation of its offer.
3. The assessment by the European Union of New Zealand's proposed contribution shall be conducted in consultation with New Zealand.
4. The European Union shall communicate the outcome of that assessment to New Zealand by letter in a timely fashion with a view to securing the participation of New Zealand in accordance with the provisions of this Agreement.

ARTICLE 2

Framework

1. New Zealand shall associate itself with the Council Decision by which the Council of the European Union decides that the EU will conduct the crisis management operation, and with any other decision by which the Council of the European Union decides to extend the EU crisis management operation, in accordance with the provisions of this Agreement and any required implementing arrangements.
2. The participation of New Zealand in an EU crisis management operation shall be without prejudice to the decision-making autonomy of the European Union.
3. Paragraph 1 does not affect the right of New Zealand to withdraw from participation in an EU crisis management operation if it does not agree with a Decision referred to in that paragraph.

ARTICLE 3

Status of personnel and forces

1. The status of personnel seconded to an EU civilian crisis management operation and/or of the forces contributed to an EU military crisis management operation by New Zealand shall be governed by the agreement on the status of forces/mission, if available, concluded between the European Union and the State(s) in which the operation is conducted.

2. The status of personnel contributed to headquarters or command elements located outside the States(s) in which the EU crisis management operation takes place, shall be governed by arrangements between the headquarters and command elements concerned and New Zealand.

3. Without prejudice to the agreement on the status of forces/mission referred to in paragraph 1, and subject to any bilateral or multilateral agreements in force, in cases where the forces of New Zealand operate on board a vessel or aircraft of an EU Member State, the latter State shall exercise jurisdiction in accordance with its internal laws and procedures.

4. New Zealand shall be responsible for answering any claims linked to its participation in an EU crisis management operation, from or concerning any of its personnel. New Zealand shall be responsible for bringing any action, in particular legal or disciplinary, against any of its personnel in accordance with its laws and regulations.

5. The Parties agree to waive any and all claims (other than contractual claims) against each other for damage to, loss, or destruction of assets owned/operated by either Party, or injury or death to personnel of either Party, arising out of the performance of their official duties in connection with activities under this Agreement, except in the case of gross negligence or wilful misconduct.

6. New Zealand undertakes to make a declaration as regards the waiver of claims against any State participating in an EU crisis management operation in which New Zealand participates, and to do so when signing this Agreement

7. The European Union undertakes to ensure that European Union Member States make a declaration as regards the waiver of claims, for any future participation of New Zealand in an EU crisis management operation, and to do so when signing this Agreement

ARTICLE 4

Classified information

1. New Zealand shall take appropriate measures to ensure that EU classified information is protected in accordance with the European Union Council's security regulations, contained in Council Decision 2011/292/EU of 31 March 2011 on the security rules for protecting EU classified information, and in accordance with further guidance issued by competent authorities, including the EU Operation Commander concerning an EU military crisis management operation or by the EU Head of Mission concerning an EU civilian crisis management operation.
2. If the EU receives classified information from New Zealand, that information shall be given protection appropriate to its classification and equivalent to the standards established in the regulations for EU classified information.
